To

The Chief Secretary to Government
Fort Saint George.

Sir,

I have the honor with reference to Educational
G.O. No. 316 dated 23rd May 1896 to report that the
results of my enquiries which I have been occupied
with for some time ^{are} as follows:-

2. I regret the delay that has occurred in
furnishing this information which was caused by
the difficulties in obtaining the same, and in time
spent in shuffling ineligible candidates out of the
many that presented themselves, some also were
found unfit to recommend either from mature age
or whose parents evidently had sufficient means
to educate them if they wished. The ones selected
as far as I can ascertain are legitimate and de-
serving cases for the aid proposed by Government.

3. The accompanying List marked A. shows
those boys described in above quoted Educational
G.O. as "Those who do not at present attend school
owing to the poverty of their parents". List B. are boys
who are being educated but the continuance of
their studies may at any time abruptly cease, owing
to the very straitened circumstances of their
parents, and as proven to me in many instances

to be in arrears for their school fees, these I would also respectfully recommend for the liberality of government and suggest their being classified and amalgamated with List A. so that they may obtain the same benefits.

I have the honor to be
Sir

your most obedient servant
A. S. Stewart. Colonel
Paymaster Jarnath Stephen do
Jhephak.

In para 2 of his
letter printed in
S.O. no 316, dt

the Q.R. estimated
that 80 boys might
be eligible for Soldier
Ship. The two lists
submitted by the P.M.
together contain only 62
boys
