FROM

C. H. A. HILL, ESQ.,

Secretary to the Committee for revising the Warrant of Precedence,

To

Simla, the 22nd September 1896

SIR,

WITH reference to the Home Department Circular No. ^{25-Public}₁₃₃₉₋₉₈ dated the 7th instant, forwarding for *the information of H.E. the Governor in Council*

a copy of the Resolution in that Department No. ^{21-Public}₁₂₅₇₋₆₃, dated the 5th August 1896, and intimating that the Committee, thereby appointed to discuss and report on the points in regard to which the Warrant of Precedence of 1877 may require revision, have been authorised to address Local Governments and Administrations direct on the subject, I am directed to request that the Committee may be favoured with any proposals which *the Govt. of Madras* may desire to make.

2. I am particularly to enquire whether any of the offices mentioned in the Warrant or in the supplementary list have undergone any change in name or have been abolished in *the Madras Presy* since 1877.

3. In case it is proposed to add any new office to those comprised in the Warrant of 1877 and the supplementary list, or to alter the position of any office already shown, I am to say that the Committee would be glad to be informed in each case of the pay of the appointment, the class from which the incumbent is usually drawn, the nature of his functions, the position in the Warrant which it is proposed to assign to him, and such other details as may assist the Committee in formulating their recommendations.

4. The Committee would venture to suggest, for *the consideration of the Governor in Council* that as the present Warrant has been in force for twenty years, and as the general basis upon which it is framed is accepted and understood by society in India, it might be well to leave that basis unaltered, and to confine proposals for change as far as possible to details.

5. I am to invite a reference to the first sentence of paragraph 3 of the Home Department Resolution of the 5th ultimo, in which the Committee are specially directed to take into consideration the question whether in the revised Warrant the omission of the fourth class of the Warrant of 1877 should not be recommended. I am to remark that the Warrant of 1871, which was superseded by the existing Warrant, regulated precedence down to, and including, Subalterns in the Army and newly joined civilians. In recommending to the Secretary of State the omission of the fifth and sixth classes which consisted of Captains and Subalterns, and those ranking with them, the Government of India observed:

The large number of non-official gentlemen in India, such as Barristers, Merchants and others cannot be included in the Warrant, and this fact renders the inclusion of all Government officials whose position is not less important than that of a Subaltern in the

Army, invidious, as thereby an implied precedence is given to them over all other gentlemen not in the service of Government. Moreover, by the exclusion of the lower classes the difficulty of weighing the relative dignity of a large number of miscellaneous offices is avoided.

Since the Despatch of the 31st March 1875, of which the above is an extract, was written, the non-official community has increased both in numbers and importance, not only in the Presidency towns, but also in many of the Provincial capitals, where society twenty years ago was almost wholly official. I am to enquire whether in *the opinion of the Governor and Council* it is advisable to carry the process of exclusion still further by the omission of the fourth class of the Warrant of 1877.

6. I am in conclusion to say that the Committee propose to take the replies to this letter into consideration in December next, and it is, therefore, important that any proposals which it is desired should be considered should reach them at the latest early in that month.

I have the honour to be,

SIR,

Your most obedient Servant,

C. H. A. HILL,

Secretary to the Committee for revising the
Warrant of Precedence.

OFFICE OF THE DIRECTOR OF

PUBLIC INSTRUCTION,

Madras, 30 October 1896

No. 1183/

From

THE HONORABLE MR. D. DUNCAN, M.A., D.SC., LL.D.,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,

FORT ST. GEORGE.

SIR,

In returning endorsement No 2066 Education-
-al of the 10th instant, I have the honour to state that in
paragrap^h 5 of its order No 33 Educational, dated 21st
January 1893, Government was pleased on my recommendation to
assign^a certain rank in the warrant of precedence to the
superior officers of the Educational Department drawing pay
within certain definite limits. I am not aware what action
was taken in the Political Department on the above order. But
as the scheme of reorganization has since been finally
sanctioned, and as certain modifications have been made in
the original proposals, I take this opportunity to submit the
following suggestions for fixing the position of Educational
officers in the warrant of precedence.

Second Class

Number or rank

Director of Public Instruction

50

Third Class

First class officers (Graded Education Service)	}	62
Principal Presidency College		
Senior Inspector of Schools Indian Educational Service		
Second class officers (Graded Education Service)	}	72
Principal Law College (Special appointment)		
Principals Kumbakonam & Rajahmundry Colleges		
Officers of more than 15 years standing Indian Educational Service		

Fourth class

Number or rank

Third & Fourth class officers (Graded
Education
Service)

Other officers-Professors &
Inspectors

Principals, Teachers College

& College of Agriculture

Superintendent Schools of Arts

Senior Inspectress of Girls' Schools

Indian

Educational

Service

77

Officers of the first, second
& third classes

Provincial

Educational

Service

2. The European officers already confirmed in the

Graded service have been given the choice of continuing

in the graded service or coming under the new scheme.

Dr. Wilson, Mr. Bilderbeck, Mr. Metcalfe, and Dr. Bourne will

continue in the graded service. Dr. Wilson, who will continue

in the first class of the graded service, and the Principal,

Presidency College, and the Senior Inspector of Schools, who

under the new scheme will draw, including personal allowances,

Rs. 1250-1500, may be placed in ^{the} third class-rank 62.

3. Messrs. Bilderbeck and Metcalfe will continue in the
second grade (Rs. 1000-1250). The Principalship of the Law College

carrying a salary of Rs. 1200 is a special appointment. The

Principalships of the Kumbakonam and Rajahmundry Colleges

have a personal allowance of Rs. 200-10-250 thereto attached;

but the substantive pay of the incumbents may vary. As the

status of the two Principals must however be considered as

on a par and as each of them will ordinarily be in receipt

of Rs. 1000-50-1250 including personal allowances, both of them

should be given the same position. Officers of the Indian

Educational service of more than 15 years' standing are to get

an allowance of Rs. 100 a month, that is, will be in receipt of

Rs. 1100, and I have accordingly included them also in the third

class with rank No 72.

4. I have included in the fourth and last classes-with rank

No 77, all appointments in the Indian and Provincial Educational

services, the pay or the maximum pay of which exceeds Rs. 500.

This is the principle followed in the Civil Service Regulations

in defining first class officers for the purpose of travelling

allowances and the officers coming under the above category

deserve such recognition.

I have the honour to be,

Sir,

Your most obedient servant,

J. G. G. G.

Director of Public Instruction.
