The humble petition of Christmasam

fully sheweth the following.

(20) Subramaniyer (1).
Pupil No 281 in the
Reformatory School.

The High Court has ordered the reformation of the boy in question in the Reformatory for 7 years. The boy left Reformatory June 1894.

uncle of the petitioner hearing that the boy was convicted at Trichinopoly went to the Town Submagistrate in 1895 and learnt that the boy was convicted in C.C. Nos 208 & 209 on that Court, of petty theft and sentenced to 5 weeks imprisonment in each and sent to the Chingleput Reformatory. Petitioner then addressed the Deputy Superintendent of that institution regarding the boy's affair and also personally went and saw the boy. It was most unfortunate that both the petitioner and his people are completely in the dark as to the boy's understanding his trial. They could not therefore attend to the case against the boy.

The petitioner's father is a land-
rd and Village munsiff in the Alur Taluq
and the petitioner is a clerk on Rs 20 in the
Collector's Office. The boy is not a
plebeian destitute and of an habitually bad
character but belongs to a tolerably good
family. The boy has property worth
