Petition of Kamatchiammal and Pelay
ammal, Mittadaris of Kondisettipatti
Mittah in the Namakkal Taluk, to the ~
Tahsildar of Namakkal.

1. We hear that an enquiry is being held
in the Taluk office to acquire for the ~
Girls' School at Namakkal, the lane attached
to the building known as the watershed and
situated to the South of it. It belongs to
us and serves as a way to the backyard
of the watershed.

2. The aforesaid building was constructed
by our ancestors a long time ago for the
purpose of maintaining a charitable
watershed during the hot season. If the
lane leading to the backyard of the said
watershed is annexed to another building,
the watershed building will become
useless and the charity performed from
time immemorial will be interfered
with and the interruption of such a
charitable

Charitable service rendered from
time immemorial will be prejudicial
to our well-being.

3. Moreover the present building not
being roomy, it is proposed to extend
it and this will be frustrated.

4. We therefore beg that no portion
of land attached to the said building
be annexed to the Girls' School house.

I enclose a draft declaration—
accordingly and request that it
may be approved and ordered to be
published in the Fort Saint George
Gazette.

2. The owners above referred to are
not willing to part with the land
and their petition is enclosed. It
is reported that access can be
had to the backyard of the
house referred to in the petition
by another way and that it will
not become useless by the pro-
posed acquisition as alleged by
the petitioners.

I have the honor to be
