From

THE HONORABLE MR. D. DUNCAN, M.A., D.SC., LL.D.,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,

Local & Municipal Department,
FORT ST. GEORGE.

SIR,

Referring to G.O.No 647, Educational, dated dated 16th October 1896, I have the honour to state that the grant of Rs.1840 recommended in my letter No 10455 dated 23rd September 1896, is a third of the estimated cost of the portion of the building to be used for school purposes only. The portion to be used for other purposes has been coloured pink on the plan and the cost of it has not been included in the estimate of Rs.5520 a third of which has been recommended as grant. It is true that the estimate covers also the cost of one side wall of each dormitory, bath room, cook room &c; but as the walls form a part of the walls round the building and courtyard which, I consider, should be taken as walling in the compound, the grant I have already recommended may be allowed. I considered this matter before referring the estimate to the Superintending Engineer and recommending a grant to Government.

2. The plan and estimate which accompanied the G.O. are resubmitted herewith.

I have the honour to be,

Sir,

Your most obedient servant,

D. Duncan

Director of Public Instruction.
