Sir,

I have the honour to furnish the information called for in your Proceedings No 10126 of the 15th September 1896 regarding the Veterinary Hospital establishment.

2. There are 4 officers on the Veterinary Hospital establishment viz, Hospital keeper on Rs.50 a month, peon on Rs.6 and two gardeners on Rs.6 each.

The Hospital keeper bears the same relation to the officer-in-charge of the Veterinary Hospital as a Hospital Assistant bears to the Medical officer of a Hospital. The Hospital keeper has charge of the Medicines and instruments, sees the patients fed, is responsible that the treatment prescribed is carried out and attends to urgent cases.

The peon collects all the money due to the Hospital. This duty occupies about half his time. The remaining half he spends in assisting at the ordinary Hospital work.

The two gardeners are as I explained in my letter No 511 of 12th August, wrongly so designated. Their duties are mainly those of Hospital attendants. They administer medicines, watch patients &c.

3. Referring to the concluding portion of the above Proceedings I beg to state that the two men at least are needed for Hospital work and often two men are not sufficient. Moreover there is not sufficient work for a full-time gardener. The Hospital grows only a few crotons &c and watering them would not occupy a man for the whole day.

I have &c

DIRECTOR OF PUBLIC INSTRUCTION,

To

THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,

FORT ST. GEORGE,

SIR,

I have the honour to request that you will be good enough to obtain the sanction of Government for the two "Gardeners" attached to the Veterinary Hospital at Saidapet being designated "Hospital Attendants" in future. The Acting Principal, College of Agriculture, who has the control of the Veterinary Hospital, informs me that the present designation of the above two servants is misleading and non-suggestive of the important duties they have been performing, inasmuch as an infinitesimally small portion of their time is spent in looking after the few plants that are grown about the Hospital and the rest of their time is devoted to the performance of various duties at the Hospital, such as bandaging, administering medicines, watching bad cases &c. That the services of ^{the} so-called gardeners are indispensable to the hospital will be clearly seen from the enclosed copy of Mr. Keess's letter No 622, dated 21st September 1896. The proposed change in their designation is desired with a view to avoid the possibility of the present or future incumbents being ever included in the list of non-pensionable menials without any consideration of the responsible duties which they, unlike gardeners, are obliged to perform, though on a

small

salary of Rs.6 each per mensem.

I have the honour to be,

Sir,

Your most obedient servant,

J. Duncan

Director of Public Instruction.
