D.O. Nov: 14. 96

My dear Arundel

Memo No 2359 Educational Department Nov: 13. 96 - has reached me this morning & I will answer it officially after communicating with Dr. Duncan & Mr. Hill -

In the meantime I write to say that Binny & Co's second offer for leasing the L.A. Press is with the Trustees at Ootacamund.

It was received by me through the

L. A. Press Office on the 10th
October & forwarded to the other
Agents on the 12th. – We have
to depend largely on Mr. Hill
for advice on technical matters
in a case of this kind & his
advice is most useful – but owing
to his illness & to the hard
work he had after he got out
of Hospital he could not write
his minute on it till Oct. 31st. –
Then I had to see him about it
& the matter had to go again
before Dr. Duncan – It so occurred
however that the monthly meeting
of the Trustees would be on Nov.
11th & we got the matter before
them on that date – which
was really the first practicable – for
we have found by experience they
object to special meetings – In
our letter laid before them
on the 11th we referred to a
long letter of ours dated July
28th i.e. the first offer of
Boring & Co. – It then turned
out that they had sent on
our letter of the 28th July to
London without keeping a copy –
On the 12th Atkinson wired for
a copy & I despatched it yesterday
the 13th. – A good deal of work

Rev. A. W. Atkinson
Secretary L. A. Press Trustees

Rev. and Dear Sir,

I have the honor by desire of the Agents to the Trustees to forward enclosed a fresh tender of Messr. Binny & Co for the lease of the L. A. Press

2 – Owing to the illness of one of our number Mr. Hill – which necessitated his being for some time in Hospital & caused him to have considerable extra work after he left the Hospital we have been unable lately to dispose of papers quickly – as we depend much on him for advice on technical points.

3 – In consequence of the G.O. re" the first tender of Messr. Binny & Co the Agents to the Trustees are inserting an Advertisement in the Indian & Ceylon papers – inviting fresh tenders up to Thursday the 31st Dec. 1896 upon the same conditions as in the former Advertisement & stating that tenders will be opened on 4th Jan: 1896.

4. They recommend that the Trustees should inform Messr. Binny & Co that their offer of 9th Octr. 1896 cannot be considered as it includes the premises specially excluded in para 7 of notice regarding the sale or lease &c. under "Conditions of lease" & that the Trustees do not intend to modify the Advertisement in this respect.

5 – To assist however Messr. Binny & Co

in offering again to lease the Press — as regards their proposed modifications in the terms of the lease offered on 30th June last & which may be embodied in the new tender to be offered by them — the Agents recommend that the Trustees should send to Messrs. Binny & Co — as they were the only tenderers last time the Agents or Trustees views contained in paras 8 & 9 of their letter of 28th July 1896 when forwarding Messrs. Binny & Co's first tender for leasing the Press which paras contained certain proposed modifications in the terms of the lease.” This will simplify matters for Messrs. Binny & Co in considering their proposed modifications & will save a delay in disposing of their tender later on.

6. In the event however of the Trustees deciding to consider this offer of Messrs. Binny & Co, the Agents invite their attention to paras 3 to 5 of their letter of the 28th July last which are modified by the Extra Rs 1280 now offered, as the rent of the premises (now included in this offer) will still bring in Rs 720 included in this increased offer for Rs 11000 to Rs 13000.

Sir,

I have the honor to acknowledge the receipt of Memo: No. 2359, Educational Department, dated 13 Nov. 1896 & by desire of the Agents to the Trustees, Lawrence Asylum Press to state that the second tender for lease from Messr. Binny & Co was received by me on 10 October, and sent in circulation on 12 October 1896.

2 – The Agents depend a good deal on Mr. Hill for advice on technical matters, & owing to his late illness & the heavy work that he had afterwards he was not been able to dispose of Lawrence Asylum Press papers as quickly as usual. His Minute did not therefore reach the other Agents till the beginning of this month. After consideration a letter was forwarded with the recommendation of the Agents concerning the tender to Ootacamund in time for their ordinary meeting of the Trustees on the 11 November which was practically the first date on which it could be considered as the Trustees do not as a rule hold special Meetings for Lawrence Asylum Press papers.

3. In the letter the Agents referred to their letter to the Trustees of 28th July last – The Trustees had not however when forwarding the letter to Government kept a copy of the letter & directed their Secretary to wire to the Agents for a copy. The telegram was received on 12th November & a copy was despatched on 13th November.

4 – I have the honor to enclose a copy of the Agents letter to the Trustees, No. 3202, dated 9th Nov. 1896.
