Proceedings of the Board of Revenue

(Separate Revenue),

Dated 13th November, 1896.

His No. 4721

Read the following letter from the
Deputy Commissioner, Northern Division
No 2847, dated 7th October 1896.

" I have the honor to report
for the favourable consideration
of the Board the antecedents of
5th Grade Sub Inspector B. Naraya-
na Appudu of the Chicacole Sub
Division. He stands first in the
list of 5th grade Sub Inspectors, was
entertained in the Department on the
first December 1877 and after a
service of nearly 7 years he was
allowed the benefit of Government

order No 192, dated 13th February 1888,
Revenue, vide — Correspondence
ending with Commissioner's Proceedings
No 8880, dated 5th July 1888, and
received increments up to 1st April
1889 from which date he has been
drawing Rs 30 per mensem. He is
very hard working and one of the best
factory Sub Inspectors. He knows
English tolerably well and wrote
a very neat hand and was a clerk
up to 1st October 1884. He was
very strongly recommended for promotion
by several of his Inspectors.
Extracts from two of which are
appended below for the Board's
information.

Mr. Wroughton's remarks: — No 258
dated 9th April 1891.

"This Sub Inspector
is

is an increment man and obtained his
last increment 2 years ago. If any Sub
Inspectors deserve promotion I consider
he does and most heartily recommend
him for re-emption and promotion to 4th
grade. It is a pleasure to work with
such a man as one may rely upon all
one's orders being thoroughly carried out.
He is always willing however heavy the
work may be. He has twice been
entrusted with the charge of the Kuppil
Factory, in the absence of stock, on
one occasion for 6 months and the other
for 3; recommended by Mr Poole in pre-
ference to Sub Inspectors of Superior grade
though he has not passed the Middle
School or other examinations, his English
and composition will compare favourably
with Sub Inspectors who have passed
their Matriculation. The Assistant
Commissioner Mr Marshall knows
the

the Sub Inspector well and well,
I feel sure, endorse all I have
said of him."

Mr Marshall's endorsement thereon:—

No $\frac{1264}{14-4-91}$ "The Sub Inspector's
claim is at present not quite
strong enough, the Board having
but recently refused to exempt
a man with far more service,
otherwise the undersigned would
gladly afford his support; should
a favourable opportunity occur the
Sub Inspector's hard work will not
be lost sight of."

Mr Green's remarks:—

"I quite endorse Mr Wroughton's ex-
tracts of this Sub Inspector's character
and qualifications as recorded in
A 14 of last year No $\frac{258}{9-4-91}$ —and

I would invite attention to the
late Acting Assistant Commissioner's
Remarks

remarks thereon order No $\frac{1264}{14-4-91}$.

I am indebted to this Sub Inspector
for the rapid and thorough execution
of all works at Honada."

2. In view of this Sub Inspector's
long service and good conduct
I recommend that he be specially
exempted with a view to his being pro-
moted to the higher grades. A similar
concession was granted in the
case of incrementable Inspectors B.
Thurmanakula Baidu and Parasu-
ramprasad who are now in the se-
cond and third grades respectively in
Surda and Benugoduru circles."

Resolution

An application in the pre-
scribed form for the exemption of 5th grade
Sub Inspector B. Narayana
Appadu

Appadu from the Examination rules
is submitted to Government for fa-
vourable consideration, with refe-
rence to the Government orders noted
in the margin

2. The Board considers that officers
of this stamp are more desirable
men to have in the upper grades of
Sub Inspectors than many less trustworthy
who have passed the examinations.
