Has any provision been made in the budget: if not, Fin. Dpt. will I presume have to consent? It is precarious to depend upon the sale of work. E. S.P. 27/11/96

The proposed expenditure during 1897 is small, being Rs 200 only & it can easily be met from the savings in the Ed. budget. The budget for 97-98 has been passed & it is not worthwhile to alter them for this small sum. 7/11/96

ORDER. No. 766 of 11-12-96

*The proposal to give the
training in the Sup. Coll.
would be in effect to establish
two training institutions*

*This presumably shd be not the
Sup. Coll. but the School of Arts;*

The Govt agrees with the
D.P.D. that it is desirable to make
provision for the training of
technical and industrial teachers.
It is inclined to ^{it be expedient} ~~but considers~~ that ^{purpose} ~~such provision~~
^{there} should be made in one single
^{recognised} institution, ~~preferably in the School~~
~~of arts~~, where all candidates
desirous of becoming technical or
industrial teachers should be
entertained and ~~should be~~
~~drawn~~ and to which their
stipends should be debited.
Arrangements ~~must~~, however, being
made for sending the students
to the College of Engineering for
instruction in
~~some subjects~~ such as the use of
machine lathes, mortising tools ~~the~~
and other subjects ~~for~~
which are not provided ~~for~~ in
facilities
the

the school of arts. The Director
will accordingly be requested to be good enough to
state his views on this suggestion.
