G.O., No. 580, Educational, dated 18th September 1896.

Read—the following paper :—

From A. J. COOPER-OAKLEY, Esq., Registrar of the University of Madras, to the Chief Secretary to Government, dated Senate House, 28th July 1896, No. 584.

I am directed by the Syndicate to communicate to you the following resolution passed at its meeting held on the 21st instant :—

“Resolved that the Syndicate, after having carefully considered the conditions under which the examination for the Government scholarship to England is held, is of opinion that the University of Madras has no power, under its Act of Incorporation, to conduct any examinations other than those connected with the different University degrees and therefore is unable to provide funds to meet the charges incurred in the conduct of the examination for the said scholarship.”

Order—Mis. No. 580, Educational, dated 18th September 1896.

The Government agrees with the opinion expressed in the resolution of the Syndicate, dated the 21st July, and it will be requested to, in future, select a candidate for the scholarship upon the results of the ordinary University examinations. The alterations in the rules which this change will necessitate should be submitted to Government for approval.
