The Bd will be informed that it was not intended that pensioned Native Officers of the rank of Jamadar & Subadar should be excluded unless they possess regimental certificates of education and to make this clear a comma will be inserted after the word 'Subadar' in Art 4(2) of the Public Service Notification.

Dated 4th November 1896.

Mis No. 4644

Resolution:—

With reference to article 4 (2) of the Public Service notification exempting certain classes of military pensioners from the examination rules for employment as Sub Inspectors in the Salt, Abkari and Customs Department, the Board begs to be informed whether it was the intention of Government that pensioned naik officers of the rank of Jemadar or Subadar (ie Commissioned officers) should possess regimental certificates of education of any of the classes I. The words within brackets in the article

und

der reference would seem to indicate
t it was the intention of Government
t the certificates should be a
e qua now only in the case of pensioners
elow the rank of Commissioned officers
ed that if the pensioner was a private
an ordinary sepoy) he could be appointed
s sub Inspector if he held a higher
lass of certificate, Class I, but that
f he was a non-commissioned officer
it would be sufficient if he held
Class II certificate. The insertion of a
comma after the word "Subadar" would
make this clear. As the notification
stands at present the words "other ranks"
within brackets includes both commissioned
ficers and sepoys and this means
at if the pensioner had been
commissioned officer or a private
he

he must hold a higher class
certificate before appointment
as Sub Inspector but that if
he had been a non-commissioned
officer he could be so appointed
if he held a lower class
certificate. As this could
hardly have been intended by
Government the Board begs to
suggest that the article may
be suitably amended.
