Most Honourable Lord,

Copy of Memorandum from the Suptg: Engineer, 6th Circle, dated 16th November 1895, No. 749 M.D.

There is no vacancy, nor is the clerk's name in the list of those who are considered to have special claims to appointments.

2. The Chief Engineer's original memorandum received with the application is herewith returned.

(True Copy)
T. Venkatachalam

With reference to the marginally noted endorsement from the Superintending Engineer, VI Circle on my application for a temporary Clerk's place at present, I beg to submit that my name, in the list published with the Chief Engineer's Circular must have been omitted, for, shortly after the memorial drawn up by the Periyar Clerks for appointment to permanent places was submitted to the Chief Engineer in November 1890, I was transferred to the Plain Dn where I was working till it collapsed.

2. After working in the Hill Division for a long time along with other clerks, that my name should be pitilessly omitted from the list is, I beg to submit, an unmerited punishment in my unfortunate case. While I was first appointed as clerk in the Hill Division by Col. D. McNeil Campbell, I was fully confident that some day I might secure one permanent place; but to my great misfortune after my transfer to the Plain Dn it had to be collapsed and with it came the Examination rules making General Test passed men also ineligible for Government Service. I have already explained

in

in my former application, dated 3rd March 1895, that it is simply impossible for one of my age to compete for the present Matriculation Examination in its present Standard. That I could be favored by the Secretary the concession and consideration of being exempted for a permanent place & that the same privileges precluded preventing me from taking up even temporary appointments in the Department is another sad misfortune standing in my way.

In conclusion I have nothing to
8. add but to say once again that having lost the chance of my name being included in the list by a transfer to the Plain Division, having lost my appointment by the collapse of the Plain Dn, having become ineligible for Govt: Service by the recent Educational rules even to take up any small temporary places of Rs15/- to enable me to eat a morsel of food to sustain my life and, finally, having none to back up my cause as I am thrown out of employ, I have re-peatedly to fall myself entirely at your honor's doors for compassion & mercy upon this poor being who have since known many privations and beg most humbly to grant him the Special boon of exemption to hold any temporary place on Rs 15/- till this wretched & helpless existance of mine should pass away from this hard world of miseries.

The several copies of endorsements
4 are herewith submitted for kind perusal.

I beg to remain,
Most Honorable Lord,
Your most Obdt. Sert,
