OFFICE OF THE DIRECTOR OF
PUBLIC INSTRUCTION,
Madras, 4th December 1895.

No. 12,975

From

THE HONORABLE MR. D. DUNCAN, M.A., D.Sc.,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,

FORT ST. GEORGE.

SIR,

^{4th 840 Educational}
With reference to G.O. dated 24th October 1895,
~~4th 840 Educational~~, I have the honour to state
that the enhancement of the College marks in
Estimating was intended to apply to those
students only, who were affected by the novel
method adopted by Sir Chatterton in December
1894 in awarding College marks in that subject
and not to the Candidates who obtained their
College marks prior to 1894, when marks were
assigned on work done actually in class
throughout the examinations. Draughtsman
Candidates nos 105, 106, 107, 111 & 120 completed
their course of study in the College of
Engineering in December 1894 and
so were affected by the low College marks

awarded

awarded to them in Estimating, but they were not classed as College students on the ground that they failed in the Examination held at the end of their first year's course and were consequently obliged to appear ^{in December 1894} for the first time in all the subjects comprised in their first and second year courses of study like the Independent Candidates. The case of S. Arjanyalu Naidu, Candidate No. 130, is quite different. This candidate completed his two years' study in the Draughtsman class of the College of Engineering in December 1889, and consequently the College marks in Estimating credited to him in the Examination of December 1894 were those awarded to him in 1888 and 1889 when he was a student of the College. Thus his College marks were not liable to any revision.

I have the honour to be,

Sir,

Your most obedient servant.
