PROCEEDINGS OF THE BOARD OF REVENUE (SEPARATE REVENUE).

READ—the following G.O., No. 734, Educational, dated 25th November 1896 :—

Order—No. 734, Educational, dated 25th November 1896.

The Public Service notification requires that from 1st January 1897 candidates for the inferior appointments specified in column 1 of Schedule A thereto shall have passed the Primary examination. As it is apprehended that the operation of this rule will cause considerable difficulty in the enlistment of warders in the Jail department and of peons in the Salt and Abkari department, the Government resolves to authorize the Inspector-General of Prisons and the Board of Revenue (Separate Revenue) to sanction the appointment of unpassed men as jail warders and as peons in the Salt and Abkari department, respectively, when they are satisfied that candidates who have passed the Primary examination are not procurable.

RESOLUTION—No. 61, dated 13th February 1897.

The Primary Examination rules apply to Petty Officers among other classes of inferior servants employed in the Salt, Abkari and Customs department—vide item No. 3 under "Departmental" in Schedule A to the Public Service notification published in Part I-B of the Fort St. George Gazette, dated 21st April 1896. In the Government Order read above Government has authorized the Board to appoint unpassed men as peons in the department but the same difficulty is anticipated in regard to filling up the appointments of Petty Officers. When men are entertained directly as Petty Officers the examination rules are obviously desirable, but most men of this class are recruited from peons who have rendered exceptionally good service and are practically found to possess sufficient education for the work. It seems hardly necessary to trouble Government about exemption in every case of the sort and the Board therefore begs leave to request that it may be allowed to exempt peons who have more than five years' service in view to their promotion to Petty Officers' posts.
