~~PROPOSED BY LAWS~~

~~ADOPTED BY THE SENATE IN COMMITTEE~~

7.—EXAMINATION FOR THE DEGREE OF

LICENTATE IN MEDICINE AND SURGERY.

192. Candidates for the degree of Licentiate in Medicine and Surgery shall be required :

(1) To have passed, before entering on their medical studies, the First examination in Arts in this University, or an examination accepted by the Syndicate as equivalent thereto.

(2) To have been engaged not less than four years in their professional studies at some recognised school of medicine.

Candidates shall be required to pass three examinations.

FIRST L. M. & S. EXAMINATION.

193. The First L. M. and S. examination shall be held in Madras once a year, commencing on the first Monday in April.

194. Applications for admission to this examination, in the form hereinafter prescribed, must be forwarded so as to reach the Registrar not later than the 1st February preceding.

195. No candidate shall be registered unless he has previously paid a fee of twenty-four rupees. Candidates failing to pass one examination may be admitted to subsequent examinations on payment of a like fee of twenty-four rupees on each occasion.

196. No candidate shall be admitted to the First L. M. and S. examination unless he has produced certificates in the form hereinafter prescribed :

(1) Of having completed his nineteenth year.

(2) Of having been engaged in medical studies at some recognised school of medicine* for not less than two years after passing the First examination in Arts of this University, or an examination accepted by the Syndicate as equivalent thereto.

(3) Of having attended the following courses in a recognised institution or institutions :

- | | |
|--------------------------|--------------------------------------|
| (a) Anatomy, one course. | (d) Practical Chemistry, one course. |
| (b) Physiology, do. | (e) Practical Pharmacy, do. |
| (c) Chemistry, do. | (f) Histology, do. |

(4) Of having dissected at a recognised medical school for not less than twelve months during the regular sessions, and of having completed the dissection of the human body.

(5) Of having, subsequent to his first year of study, attended, for a period of ten months, the surgical practice, including the out-patient department, of a recognised clinical hospital.

197. These certificates must be forwarded so as to reach the Registrar at least seven days before the examination begins.

198. The First L. M. and S. examination shall be conducted in the order of time and subjects set forth in the following table, and the number of marks assignable to each subject shall be as therein specified :

Days.	Hours.	Subjects.	Marks.	Remarks.
Monday	10—1 2—5	Anatomy Physiology	100 100	Written examination. do.
Tuesday	10—1 2—5	Chemistry do. Practical	60 40	Written examination. Practical examination.
Wednesday	10—1 2—5	Anatomy do.	50 50	Dissection. Oral.
Thursday	10—1	Physiology and Histology	50	Practical & Oral.
Total ...			450	

* Certificates of attendance at the London School of Medicine for Women will be accepted for this examination and for all other examinations in medicine.

199. No candidate shall be declared to have passed this examination who fails to obtain one-half the marks in Anatomy, or one-third of the marks in each of the other subjects,* or one-half of the aggregate number of marks.

Successful candidates shall be ranked in the order of proficiency as determined by the total marks obtained by each and shall be arranged in two classes:

The first, consisting of those who have obtained not less than 75 per cent. of the aggregate number of marks.

The second, consisting of all others.

Form of tabular statement to be submitted by the Examiners.

Register Number.	Number of marks obtained.				Whether passed or not passed.	If passed, in what class ranked.	Remarks.
	Anatomy.	Physiology.	Chemistry.	Total number of marks obtained.			
	200	150	100	450			

200. A certificate, signed by the Registrar, shall be given to each passed candidate, setting forth the date of examination and the class in which he was placed.

SECOND L. M. & S. EXAMINATION.

201. The Second L. M. and S. examination shall be held in Madras once a year, commencing on the second Monday in April.

202. Applications for admission to this examination, in the form hereinafter prescribed, must be forwarded so as to reach the Registrar not later than the 1st February preceding.

203. No candidate shall be registered unless he has previously paid a fee of thirty-six rupees. Candidates failing to pass one examination may be admitted to subsequent examinations on payment of a like fee of thirty-six rupees on each occasion.

204. No candidate shall be admitted to the Second L. M. and S. examination unless he has passed the First L. M. and S. examination of this University, or an examination accepted by the Syndicate as equivalent thereto, and has produced certificates in the form hereinafter prescribed:

(1) Of having been engaged in medical studies at some recognised school of medicine for not less than one year after passing the First L. M. and S. examination.

(2) Of having, subsequently to passing the First L. M. and S. examination, attended the following courses in a recognised institution or institutions:

- | | |
|---|--|
| (a) Medicine, one course. | (f) Hygiene, one course. |
| (b) Surgery, one course. | (g) Do. Practical, one course. |
| (c) Materia Medica and Therapeutics, one course. | (h) Medical Jurisprudence, one course. |
| (d) General Pathology, one course. | (i) Minor Surgery, one course. |
| (e) Practical Pathology and Bacteriology, one course. | |

(3) Of having attended the medical practice of a clinical hospital or hospitals for four months, and lectures on clinical medicine during such attendance.

(4) Of having attended the surgical practice of a clinical hospital or hospitals for four months, and lectures on clinical surgery during such attendance.

(5) Of having attended the practice of the out-patient department of a clinical hospital or hospitals for a period of two months.

(6) Of having witnessed the performance of at least six post-mortem examinations, of having taken notes at the time, and of being competent to perform a post-mortem examination.

205. These certificates must be forwarded so as to reach the Registrar at least seven days before the examination begins.

206. The Second L. M. and S. examination shall be conducted in the order of time and subjects set forth in the following table, and the number of marks assignable to each subject shall be as therein specified:

Days.	Hours.	Subjects.	Marks.	Remarks.
Monday ...	10-1	Pathology, General ...	50	Written examination.
	2-5	Practical Pathology & Bacteriology ...	50	Practical examination.
Tuesday ...	10-1	Materia Medica & Therapeutics ...	50	Written examinations.
	2-5	Hygiene ...	70	
Wednesday ...	10-1	Medical Jurisprudence ...	50	Written examination.
	1-5	Medical Jurisprudence ...	30	Oral examination.
		Hygiene ...	30	
Thursday...	10-5	Practical Pharmacy & Materia Medica & Therapeutics.	50	Oral and Practical examination.
Total ...			380	

* Chemistry and Practical Chemistry; Anatomy and Practical Anatomy; Physiology and Histology, respectively, shall be considered one subject.

207. No candidate shall be declared to have passed the examination who fails to obtain one-third of the marks in each subject, or one-half of the aggregate number of marks. Successful candidates shall be ranked in the order of proficiency as determined by the total marks obtained by each, and shall be arranged in two classes:

The first, consisting of those who have obtained not less than 75 per cent. of the aggregate number of marks.

The second, consisting of all others.

Form of tabular statement to be submitted by the Examiners.

Register Number.	Number of marks obtained.					Whether passed or not passed.	If passed, in what class ranked.	Remarks.
	Pathology.	Hygiene.	Medical Jurisprudence.	Materia Medica & Therapeutics and Practical Pharmacy.	Total number of marks obtained.			
	100	100	80	100	380			

A certificate, signed by the Registrar, shall be given to each passed candidate, setting forth the date of examination and the class in which he was placed.

FINAL L. M. & S. EXAMINATION.

208(a). The Final L. M. & S. examination shall be held in Madras once a year, commencing on the second Monday in April.

208(b). Applications for admission to this examination, in the form hereinafter prescribed, must be forwarded so as to reach the Registrar not later than the 1st February preceding.

208(c). No candidate shall be registered unless he has previously paid a fee of thirty-six rupees. Candidates failing to pass one examination may be admitted to subsequent examinations on payment of a like fee of thirty-six rupees on each occasion.

208(d). No candidate shall be admitted to the Final L. M. & S. examination unless he has passed the Second L. M. & S. examination or the Third M. B. & C. M. examination of this University and has produced certificates in the form hereinafter prescribed:

(1) Of having been engaged in medical studies in some recognised school of medicine for not less than one year after passing the Second L. M. & S. examination or the Third M. B. & C. M. examination of this University.

(2) Of having subsequently to passing the Second L. M. & S. examination attended the following courses in a recognised institution or institutions:

- | | |
|---|-----|
| (a) Midwifery and diseases special to women and the new-born child, one course. | |
| (b) Ophthalmology, | do. |
| (c) Mental Diseases, | do. |
| (d) Operative Surgery, | do. |

Or of having subsequently to passing the Third M. B. & C. M. examination attended a course of Operative Surgery.

(3) Of having attended the medical practice of a clinical hospital or hospitals for four months, and lectures on clinical medicine during such attendance.

(4) Of having attended the practice of a midwifery hospital for three months and of being competent to attend cases of labor.

(5) Of having attended the practice of an ophthalmic hospital for three months.

(6) Of having attended the practice of a lunatic asylum of not less than fifty beds for one month.

(7) Of being competent to perform vaccination.†

208(e). These certificates must be forwarded so as to reach the Registrar at least seven days before the examinations begin.

208(f). The Final L. M. & S. examination shall be conducted in the order of time and subjects set forth in the following table, and the number of marks assignable to each subject shall be as therein specified:

* The course of mental diseases will comprise the following subjects, viz.: Introduction to the study of Mental Diseases. Melancholia, Mania, Periodic Insanity, Alternating and Recurrent Mania, Relapses in Mental Diseases, Monomania and Delusional Insanity, Dementia, Amnesia, Congenital Imbecility, Idiocy, Mental Stupor, General Paralysis of the Insane, Epileptic and Traumatic Insanity, Syphilitic, Rheumatic, Gouty and Phthisical Insanity, Uterine and Hysterical Insanity, Insanity of Masturbation, Puerperal Insanity, and the Insanity of Pregnancy and Lactation, Insanity of Puberty and Adolescence, Climacteric and Senile Insanity, Insanity produced by poisons circulating in the Blood (Diabetic, Uræmic, Leadpoisoning, &c. &c.) The Medico-Legal and Medico-Social points of Insanity, General treatment and management of Insanes.

† This certificate must be signed by a Deputy Inspector of Vaccination.

Days.	Hours.	Subjects.	Marks.	Remarks.
Monday ...	10—1	Medicine including Mental Diseases & Medical Anatomy.	100	Written examinations.
	2—5	Surgery & Surgical Anatomy.	100	
Tuesday ...	10—1	Midwifery & Diseases of Women & the new-born Child.	100	Written examinations.
	2—5	Ophthalmology.	30	
Wednesday	7—	Clinical Medicine.	100	Practical examination in Hospital.
Thursday...	7—	Clinical Surgery.	100	Practical examination in Hospital.
Friday ...	10—5	Medicine including Mental Diseases & Medical Anatomy. Surgery & Surgical Anatomy.	50	Oral examinations.
			50	
Saturday ...	10—	Operative Surgery.	50	Practical examination.
Monday ...	7—	Midwifery & Diseases of Women & the new-born Child.	50	Oral and Practical examination.
Tuesday ...	7—	Ophthalmic Medicine & Surgery.	20	Oral and Practical examination.
Total ...			750	

209. No candidate shall be declared to have passed the examination who fails to obtain one-third of the marks in each subject, or one-half of the aggregate number of marks. Successful candidates shall be ranked in the order of proficiency as determined by the total marks obtained by each, and shall be arranged in two classes:

The first, consisting of those who have obtained not less than 75 per cent. of the aggregate number of marks.

The second, consisting of all others.

Candidates who fail to pass, but who obtain 60 per cent. of the marks in any two of the following groups:

- (1) Medicine, including Clinical Medicine.
- (2) Surgery, including Clinical and Operative Surgery.
- (3) Midwifery.

may claim to be exempted from re-examination in those two groups. Candidates, however, who obtain such exemption shall only be ranked in the second class.

Form of tabular statement to be submitted by the Examiners.

Register Number.	Number of marks obtained.							Total number of marks.	Whether passed or not passed.	If passed, in what class ranked.	Remarks.
	Medicine and Medical Anatomy.	Clinical and Oral Medicine.	Surgery and Surgical Anatomy.	Clinical and Oral Surgery.	Operative Surgery.	Midwifery & Diseases of Women & the new-born Child.	Ophthalmology.				
	100	150	100	150	50	150	50	750			
Medicine.		Surgery.									
250		300									

The elements of the morphology and physiology of the flowering plant. The leading modifications in the structural plan of the flower. The leading types of fruits; the modifications by which floral organs take part in their structure.

The distinctive facts in the life-history of Conifer.

The structure and properties of the cell treated from an elementary point of view. The development and anatomy of foliar organs, stems, and roots, and of the tissues of which these are composed, including the histology of the growing-point in stems and roots, the development and histology of epidermal, fibrovascular, cambial, and ground tissues. The physiology of the above-mentioned tissues in connection with the movement of water and the production and transfer of nutritive materials.

The structure and development of ovules, embryo, endosperm, and pollen-grains in angiosperms and gymnosperms. The phenomena of fertilization and the germination of the seed.

The structure and life-history of a Fern, Chara, Penicillium, Spirogyra, Yeast, Bacteria.

Each candidate must be prepared to examine microscopically, to dissect, and to describe, specimens of the animals and plants enumerated in the foregoing syllabus, with the exception that for the skull of the hare will be substituted that of the dog.

219. The first examination shall be conducted in the order of time and subjects set forth in the following table, and the number of marks assignable to each subject shall be as therein specified:

Days.	Hours.	Subjects.	Marks.	Remarks.
Monday	10-1 2-5	Chemistry Physics	100 100	Written examinations.
Tuesday	10-1 2-5	General Biology Chemistry	70 70	Written examination. Practical examination.
Thursday	10-5	Chemistry Physics	40 40	Oral examinations.
Friday	10-5	General Biology	80	Oral and practical examinations.
Total...			500	

220. No candidate shall be declared to have passed the examination who fails to obtain one-third of the marks in each subject, or one-half of the aggregate number of marks.

Form of statement to be submitted by the Examiners.

Register Number.	Number of marks obtained.				Whether passed or not passed.	Remarks.
	Chemistry.	Physics.	General Biology.	Total.		
	210	140	150	500		

221. A certificate, signed by the Registrar, shall be given to each passed candidate, setting forth the date of the examination.

SECOND M.B. & C.M. EXAMINATION.

222. The Second M.B. & C.M. examination shall be held in Madras once a year, commencing on the first Monday in April.

223. Applications for admission to this examination, in the form hereinafter prescribed, must be forwarded so as to reach the Registrar not later than the 1st February preceding.

224. No candidate shall be registered unless he has previously paid a fee of thirty rupees. Candidates failing to pass one examination may be admitted to subsequent examinations on payment of a like fee of thirty rupees on each occasion.

225. No candidate shall be admitted to the Second M.B. & C.M. examination unless he has passed the First M.B. & C.M. examination or an examination accepted by the Syndicate as equivalent thereto and has produced certificates in the form hereinafter prescribed:

(1) Of having been engaged in medical studies at some recognised school of medicine for not less than two years.

(2) Of having attended the following courses in a recognised institution or institutions:

- Anatomy, one course.
- Physiology, Systematic, one course.
- Physiology, Practical, including Histology, one course.
- Do. Chemical, one course.
- Organic Chemistry, one course.
- Organic Chemistry, Practical, one course.

(3) Of having dissected at a recognised school of medicine for not less than twelve months during the regular sessions, and of having completed the dissection of the human body.

226. These certificates must be forwarded so as to reach the Registrar at least seven days before the examination begins.

227. The Second M.B. & C.M. examination shall be conducted in the order of time and subjects set forth in the following table, and the number of marks assignable to each subject shall be as therein specified:

Days.	Hours.	Subjects.	Marks.	Remarks.
Monday	10-1 2-5	Anatomy Physiology	100 100	Written examinations.
Tuesday	10-1 2-5	Organic Chemistry Do.	30 20	Written examination. Practical and Oral examination.
Wednesday	10-2	Anatomy Do.	50 50	Practical examination. Oral examination.
Thursday	10-2	Physiology, including Histology & Chemical Physiology	100	Oral and Practical.
Total...			450	

228. No candidate shall be declared to have passed the examination who fails to obtain one-half the marks in Anatomy and Physiology, respectively, or one-third of the marks in Chemistry or one-half of the aggregate number of marks.

Successful candidates shall be ranked in the order of proficiency as determined by the total marks obtained by each and shall be arranged in two classes:

The first, consisting of those who have obtained not less than 75 per cent. of the aggregate number of marks.

The second, consisting of all others.

Form of statement to be submitted by the Examiners.

Register Number.	Number of marks obtained.				Whether passed or not passed.	If passed, in what class ranked.	Remarks.
	Anatomy.	Physiology.	Chemistry.	Total number of marks obtained.			
	200	200	50	450			

229. A certificate, signed by the Registrar, shall be given to each passed candidate, setting forth the date on which the examination was held and the class in which he was placed.

THIRD M.B. & C.M. EXAMINATION.

230. The Third M.B. & C.M. examination shall be held in Madras once a year, commencing on the second Monday in April.

231. Applications for admission to this examination, in the form hereinafter prescribed, must be forwarded so as to reach the Registrar not later than the 1st February preceding.

232. No candidate shall be registered unless he has previously paid a fee of forty rupees. Candidates failing to pass one examination may be admitted to subsequent examinations on payment of a like fee of forty rupees on each occasion.

233. No candidate shall be admitted to the Third M.B. & C.M. examination unless he has passed the Second M.B. & C.M. examination, and has produced certificates in the form hereinafter prescribed:

(1) Of having been engaged in medical studies at some recognised school of medicine for not less than two years after passing the Second M.B. & C.M. examination in this University.

(2) Of having, subsequently to passing the Second M.B. & C.M. examination, attended the following courses in a recognised institution or institutions:

- | | |
|--|--|
| (a) Medicine, one course | (g) Hygiene, Practical, one course. |
| (b) Surgery, do. | (h) Materia Medica & Therapeutics, one course. |
| (c) Midwifery, do. | (i) Practical Pharmacy, one course. |
| (d) Pathology General, one course | (j) Medical Jurisprudence, one course. |
| (e) Do. Practical, including Bacteriology, one course. | (k) Minor Surgery, one course. |
| (f) Hygiene, one course | (l) Ophthalmology, one course. |
| | (m) *Mental Diseases, one course. |

(3) Of having attended the medical practice of a recognised clinical hospital or hospitals for a period of five months and lectures on clinical medicine during such attendance.

(4) Of having attended the surgical practice of a recognised clinical hospital or hospitals for a period of five months and lectures on clinical surgery during such attendance.

(5) Of having worked in the out-patient department of a clinical hospital for a period of four months.

(6) Of having attended the practice of a midwifery hospital for two months.

(7) Of having attended the practice of an ophthalmic hospital for three months.

* The course of mental diseases will comprise the following subjects, viz.: Introduction to the Study of Mental Diseases. Melancholia, Mania. Periodic Insanity. Alternating and Recurrent Mania. Relapses in Mental Diseases. Monomania and Delusional Insanity. Dementia, Amentia, Congenital Imbecility, Idiocy. Mental Stupor. General Paralysis of the Insane. Epileptic and Traumatic Insanity. Syphilitic, Rheumatic, Gouty and Phthisical Insanity. Uterine and Hysterical Insanity. Insanity of Masturbation. Puerperal Insanity, and the Insanity of Pregnancy and Lactation. Insanity of Puberty and Adolescence. Climacteric and Senile Insanity. Insanity produced by poisons circulating in the Blood (Diabetic, Uræmic Leadpoisoning, &c. &c.) The Medico-Legal and Medico-Social points of Insanity. General treatment and management of Insanes.
