Sir,

I have the honour to state that the
Superintendent of the late Salt and Special
Test Examinations held at Cuddack appears
to have purchased locally certain articles
of stationery for the use of the candidates
appearing for that examination. But under
article 98 (f) of the Civil Account Code,
local purchases of articles of stationery
usually supplied by the Stationery Office
are not admissible unless specially
sanctioned by the local Government.

If the supply from the Stationery Office
is for any reason not practicable, I
would request that orders of Government

may

may be obtained exempting any particular class or all classes of examinations from the above rule.

Sir,

With reference to your letter N^o $\frac{806}{2.8.}$ dated the 18th December '96 I have the honour to state that Gov^t Order N^o 35 dated 30th January 1868, Educational, turns mainly upon the question whether advances should be permitted. The present point is whether stationery articles should be purchased locally and upon this the Order of Gov^t should be obtained.

From

THE HON'BLE MR. D. DUNCAN, M.A., D.Sc., LL.D.,
COMMISSIONER FOR GOVERNMENT EXAMINATIONS,
Madras,

To

THE SECRETARY TO GOVERNMENT,
LOCAL AND MUNICIPAL DEPARTMENT,
Fort St. George.

SIR,

The Accountant-General having taken objection to the purchase of certain articles of stationery by the Superintendent of the Special Test Examinations held at Cullack in October last, for the use of the candidates that appeared for these tests at that centre, I invited his attention to G.O. No. 35, Education dated 30th July 1868. The letter on which this order was passed expressly asked that Collectors might be authorized to advance to the Superintendents of any examinations that might be held by the Commissioner such sums as they might require 'to meet the requisite expenditure for rent, paper, pens, ink &c'. Under the order above referred to, all necessary articles of stationery

if they are to be obtained from
the Stationery Office under Art.

would be required. The Acc. Gen.

rather strained, and the G.O.

stationery for the use of the candidates for the
various examinations under the control of the Com-
missioner have all these years been purchased locally
by the persons appointed Superintendents of these
examinations. The Accountant-General, however,
is of opinion that the special sanction of Govern-
ment is necessary to these local purchases. As
Government is aware, a very large number of
Examinations is conducted by my office and in
the case of several of the examinations, arrange-
ments have to be made at a very large number
of centres, - the number of Examination centres
for the Lower Secondary Examination being as
large as 100. Considering that most of the examina-
tions under my control have to be arranged
for during the latter half of the year, the arrange-
ments for some of the examinations having to be
made concurrently, it would cause very considerable
inconvenience if the permission granted for Superin-
tendents to purchase locally the necessary articles
of stationery were to be withdrawn. I beg therefore
that Government will be pleased to accord
the sanction required by the Accountant-General
and allow the continuance of the present practice.
I enclose copies of the Accountant-General's letters
on the subject.

I have the honor to be,
Sir,
Your most Obedient Servant,
J. G. M. M.
Commissioner
