2. It will be pointed out to the Committee that the app^t of the two Govt. trustees rests with H. D. the Spare copies. The Comtee's proposal for the filling up of vacancies sh^d therefore be conveyed in the form of a recommendation & not in the form adopted in the letter head above.

7/3/97

The school is paid a moiety of the interest derived yearly from the Woolley Fund for the education of 30 boys. In 1851 (M.C. no. 683 D. 25 July 1851 & no 11430 of Dec 1851) the Govt. required that to ensure the observance of the conditions upon which the Woolley grant is given two of the Members of the Comtee sh^d be appointed by Govt as Trustees & Directors.

Reporting that the Revd. E. Sell was appointed Manager of the Bishop Cane's Grammar School & girls' schools and trustee of Woolley fund at the meeting of the Committee held on the 2nd instant.

The app^t of the Trustees is therefore entirely in the patronage of H.E. inf., & the original app^t of the first trustees (Woldingham & Jol. Browne) in 1851 was the direct act of Gov^t. How the present form of came into use by which the Comtee intimate the 'appointment' instead of their nomination or recommendation have not been able to trace. It is probably a lapsus grown into an form. The Gov^t of course accepts the Comtee's ~~nomination~~ nomination, but it is just as well to point out to them the true situation & I have therefore drafted and.
