May it please your Excellency,

With

Sentiments of respect and loyalty I the
Pariah applicant of Trauguebar, beg to
submit the following to your Excellency with a
gracious reconsideration and favorable

With a view to entertain the College of
culture Laidapet, I applied to Government
in April 1894 to be granted a Government
scholarship and my petitions were referred
to the Acting Director of Public Instruction
for disposal.

2. The Ag Director of Public Instruction,
his Proceedings No 8183 dated 31st Aug
informed me that no scholarship was then
available for award and that my

my case had been submitted to Government for Orders, from which I was led to hope that I would have been granted a scholarship if it had been available at the time.

3. Also in his Official Memorandum No 6803 dated 24th July 1894 the Director wanted me to furnish him with a certificate from the Head of the school in which I studied testifying to my ability to follow the instruction given at the College.

This Certificate was required as I am not a Matriculate and with a view to exempt me from the restriction as regards the preliminary Educational qualifications for admission into the College.

4. I am a member of a family possessing about 9 Cawnies of wet land in the Tirucadappur village of Mayavaram Talug, viz my father has in his possession about 4 Cawnies and my brother about 5 Cawnies.

5. As regards my character and ability I had already submitted on the 1st Aug

1894 to the Acting Director of Public
Instruction a certificate, in accordance
with his Proceedings No 6803 dated 24th
July 1894.

6. The Madras government itself has taken
a special interest as to the Education
and amelioration of the Condition of
my caste people and Your Excellency
I have heard has promised the Pariah

Maha Jana Sabah to do whatever is necessary
to ameliorate the Condition of my
caste men.

I a poor Pariah most humbly beg that
Your Excellency would be so pleased
as to exempt me, in consideration of
caste disabilities and the hopes led out
by the Director of Public Instruction, as a
special case, from the Matriculation
Examination to be entertained in the College
with a Government scholarship.

And for this act of generosity and sympathy
I shall, as in duty bound, ever pray.

I beg to remain,
Your Excellency's most obedient servant
