OFFICE OF THE DIRECTOR OF

PUBLIC INSTRUCTION,

Madras, 22 February 1897

No. 1826

From

THE HONOURABLE MR. D. DUNCAN, M.A., D. Sc., LL.D.,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

The Secretary to Government,

Local & Municipal Department.

SIR,

In G.O. No 702, Educational, dated 22nd September 1894, Government was pleased to sanction the levy of a reduced rate of fees in English schools under public management in backward localities. This concession having had to cease on the 31st December 1896, I called on the Inspecting officers in September 1896 to report whether they would suggest any alteration in the reduced scale of fees prescribed for these institutions. They are unanimously of the opinion that the existing favourable scale should continue for the present, education in these localities not having advanced as yet to such an extent as to justify the levying of an enhanced rate of fees. I beg, therefore, to request that Government be pleased to extend the concession granted in the G.O. quoted above for another term of five years. In my letter No 1747 d/ 20th February 1897, I have recommended a considerable reduction in the existing list of backward localities, and should that be approved by Government, the number of schools which will be benefited by the above concession will be much fewer than hitherto.

I have the honour to be,

Sir,

Your most obedient servant,

D. Duncan

Director of Public Instruction.
