GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper:—

From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., LL.D., Director of Public Instruction, to the Secretary to Government, Educational Department, dated Madras, 4th February 1897, No. 1060.

I have the honour to request that, under Article 89 of the Civil Service Regulations, the sanction of Government may be obtained for Mr. Moberly, I.C.S., accepting a remuneration of Rs. 40 for having taken part in the examination in drill and gymnastics of the students of the Training College, Rajahmundry, in August last under rule 3, chapter VIII, of the Educational Rules. Mr. T. R. Scott was first appointed to assist in the conduct of the examination, but, before the date of the examination, he was transferred to the Presidency College. As the services of a competent examiner on the spot were urgently needed, Mr. Moberly was requested to undertake the work, which he was kind enough to do, and I beg that he may be permitted to accept the remuneration offered to him.

ORDER—No. 244, Educational, dated 28th April 1897.

The Government considers it unbecoming for the Collector or Judge of a district to appear as a paid examiner at a school examination in his own district and is therefore unable to sanction the acceptance by Mr. Moberly of the remuneration proposed. The same remark is applicable to all officers of the Indian Civil Service in respect of examinations in the district in which they are employed.

I think it is quite wrong in principle for the collector of a district to appear as a paid examiner at a school examⁿ in his own district—especially an examⁿ in gymnastics which requires no more labour than his attendance on the gymnasium. I am astonished at Mr. Moberly's making any demand in the matter.

The last sentence of the

not sure whether A.B. means to
include under "port officers" in this con-
nection, officers of the P.L.S., or all port
officials. It may perhaps suffice to apply
the rule to the former only.
