CURRENT No. 394

To

His Excellency The Right Honorable,
Sir Arthur E. Lebank Harvelock. K.C.M.G., & C.E.,
Governor and President of,
Fort Saint George,
Madras.

May it please Your Excellency.

The humble memorial of Jogappagari Krishna Reddy,
a ryot of Madanapalle, Cuddapah District
most respectfully sheweth:—

That your Excellency's most humble memorialist is
a very poor old ryot who has been very loyal, faithful and grateful
to the Government in offering his personal services on a fitting
occasion.

That once in 1884, Your Excellency's humble memorialist had
a very good opportunity of showing his loyalty and gratitude when
the Sub Collector's Office of Cuddapah, that was then in a thatched
house, was on fire. Your Excellency's humble memorialist seeing the
danger went to the spot with utmost speed and did all that he
could even at the risk of his life to save the records though the
fire was very great.

That when the conduct of your Excellency's humble memorialist
was brought to the notice of the Madras Government, it was pleased
to give under order No. 2355, dated 5th June 1884, a silver bangle
to your Excellency's humble memorialist in appreciation of his "praise-
worthy conduct" with the following inscription thereon:—

"This was rewarded to Jogappagari Krishnappa Reddy
for his praiseworthy conduct in saving the Govern-
ment records from fire."

"This bangle was personally presented by His Excel-
lency Sir Grant-Duff, Governor of Madras when
His Excellency paid a visit to Madanapalle on the
7th July 1884."

When the said bangle was presented, a grand meeting was
convened in which His Excellency having expressed his pleasure
to do good to the memorialist and his sons desired him to say
whether he had anything more worthy to be brought to his
Excellency's kind consideration. The memorialist, thereupon, with due
submission represented to His Excellency that his son who w^{ed}

then a student would be educated as a free scholar at the expense of the Government till he qualifies himself to be fit for any Government post. The then Sub Collector, Mr. A. R. Harmer who had a short conversation with his Excellency, said that as the school where your Excellency's memorialist's son was then reading, was under the management of the Government, his (memorialist's) prayer would be attended to.

Since, a short time after this, the said Government School was transferred to the management of the Local Board, the said Sub Collector was transferred to Trichinopoly and his Excellency the Governor left India, the memorialist was not fortunate to carry out his wishes.

Again, when his Excellency Lord Wenlock visited this place in 1892, the memorialist had the fortune to present a memorial praying that his son who was then a student in the Madras Christian College would be educated as a free scholar in the Government Presidency College in conformity with the promise made by His Excellency Sir Grant-Duff. His Excellency Lord Wenlock with great pleasure examined the inscription on the said bangle and informed your Excellency's humble memorialist that His Excellency would do what is in His Excellency's power and received the memorial.

The memorialist was referred to the Director of Public Instruction for report. He regretted his inability to make a favorable reply since the present fee-notification did not allow such a concession though the former did and since in his opinion Doctor Miller, the Principal of the Madras Christian College will not be treated well if a student of his College were to be withdrawn and admitted into the Presidency College. The same was accordingly communicated to the memorialist.

The memorialist is a poor ryot belonging to the Sudra class. He has no relations employed anywhere in the Government service. He lives by cultivation. The scanty income which he gets is not even up to the necessities of his family. His son is a Matriculate of the Madras University, unemployed anywhere. He was born and educated in the Ceded Districts which are even now classified as backward Districts.

According to the recent public-service notification published concerning the candidates who may appear for the Special Test Examinations, some matriculates are prohibited

to go up for either of the Criminal and Judicial Test Grades of the Special Tests.

The memorialist, therefore, prays that your Excellency will be pleased to make a relaxation of the rules relating to the Special Tests in favor of your Excellency's humble memorialist's son and specially permit him to go up for the Criminal Grades etc., as well as for the Pleader's Test Examination and allow this special concession for at least five years considering your Excellency's humble memorialist's valuable services, his inability to educate his son any further and his son will be affected by the Age bar rule to enter into the public service if no such favor is shown to him although the memorialist has taken so much pains to educate his son up to the passing of the Matriculation Examination by means of the assistance of several kind-hearted gentlemen especially the Rev. W. J. Chamberlane, the then missionary of this place.

For this act of kindness, your Excellency's humble memorialist, shall, as in duty bound, ever pray for your Excellency's longevity and prosperity.

Dated 19th, March 1897.

He begs to remain,
Esteemed Sir

Your Excellency's most obedient
and humble Servant.
