8th Oct. 1896.*

5. We respectfully pray that the boys of our community may be allowed to be admitted as free students in the Government Schools and Colleges and that Your Excellency may be pleased to take into consideration that our poverty prevents us in almost all cases from sending our sons up for the public examinations and we are thus placed at a great disadvantage with the other wealthier communities and that, therefore, Your Excellency may be graciously pleased to grant that, some minor posts in superior service under Government may be bestowed upon such of our community as may be found fit otherwise than by public examination tests not only as a means of lifting us out of our degradation but to create in us higher aspiration and self-respect.

That the Government has made such special concessions in the case of Mahomedans, Billavars, and Parayahs; and we simply pray that such concessions may be extended to our community too in consideration of our present depressed and deplorable condition.

And Your Petitioners will ever pray for your Excellency's long life, prosperity and happiness.

Mangalore,
October 1896.

To

His Excellency the Right Honorable

Sir Arthur Elibank Havelock, G. C. M. G., G. C. I. E.,

GOVERNOR OF MADRAS.

May it please Your Excellency,

WE, the members of the Koteyar community crave leave to approach and lay before Your Excellency grievances of our community on this auspicious occasion of Your Excellency's visit to our shores.

2. That, in times past, men of our community of Kshatriya origin were brought to this District by the Sovereigns of the Vijayanagaram dynasty and were given important Civil and Military posts under Government; hence we came to be known as Kote-people (Kote=fort) or Koteyars; this state of things continued till the end of Tippu's reign. But since then times have gradually changed and people of this community are now the poorest and a very miserable section of the population, though very numerous as a body.

3. We submit that, though once this community were in high position now they are simple petty tenants or cultivators and are poverty-stricken, ignorant, illiterate to such an extent that there is not even an undergraduate among them and that unless some encouragement and help are shown to us we are likely to go lower and lower in the scale of civilization.

4. Under the peculiar circumstances of the degradation to which we are brought we submit that Your Excellency may be pleased to show sympathy to this poor community in its sufferings and take steps to bestow some special consideration on us in the hard race of life.

Sir,

With reference to your endorse-
ment H.Q. S.C. No 248/235 (returned
herewith) I have the honour to state
it as my opinion, — and in this opinion
I am shared by nearly all of my
friends, — that the poverty of the Kote-
yar community is much too exagger-
ated in the address. A pretty fair
proportion of them are employed under
Government, chiefly in the Police
Department, and the Community as
a whole is certainly better off than
many other Communities recognized
as backward in the Grant-in-aid
Code. I am therefore of opinion
that the concession which the Code
has already allowed to Koteyars of
being admitted into schools under

SIR,

With reference to the endorsement No. 2/28, dated 20th October 1896 herewith returned, I have the honour to enclose in original a letter from the Sub-Assistant, Udipi Range, with the Assistant Inspectors and the Inspectors' endorsements thereon, from which it will be observed that the Koleyars are not, as a class, so badly off as they are represented to be in their memorial to His Excellency the Governor. The Inspecting officers, therefore, consider that the concession of half fees now enjoyed by the Community is quite enough, and that no further concessions are necessary. I agree in this view.

SIR,

With reference to memorandum No 537 (Education-
-al Department), dated 4th instant, I have the honour to state
that the statement regarding the Koteyar Community made in my
letter No 928, dated 2nd February last, is, as will be observed
from the enclosures to the letter, based on the report of the
Sub-Assistant Inspector of Schools, Udipi Range. This officer
has since been called upon to report the ~~auth~~ authority under which
the Koteyars are allowed the concession of half fees in public
schools (vide copy of this office telegram dated 9th February
last); and from the reply received from him, I have reason to
think that this community has been considered to belong to one
of the sub-divisions of some one of the backward classes mention-
-ed in article 5 of chapter II of ^{the} Grant-in-Aid Code. I have
called for further particulars regarding the community and shall
submit a final reply on receipt of the above information from
the Sub-Assistant.

From

THE HONOURABLE MR. D. DUNCAN, M.A., D. Sc., LL.D.,

DIRECTOR OF PUBLIC INSTRUCTION,

To

The Secretary to Government,

Local & Municipal Department.

SIR,

In continuation of this office letter No 2471, dated 9th March 1897, and with reference to the concluding sentence thereof, I have the honour to state that from the further information received from the Sub-Assistant Inspector of Schools, Udipi Range, I learn that the statement made in this office letter No 928, dated 2nd February 1897, that the Koteyar Community enjoys the concession of paying half fees is not correct. The Sub-Assistant Inspector ~~The Sub-Assistant Inspector~~ appears to have been misled by the information furnished to him by the Supervisor of the Mangalore Municipality, who is himself a Koteyar, and I regret very much the mistake made in this office in having taken the Sub-Assistant's statement on trust.

2. With reference to the Memorial submitted to Government by this Community, I would recommend that the concession of paying half fees be now given to them and their name be entered in the list of backward classes given in Article 5, Chapter II of the Grant-in-Aid Code, and in the Government Notification dated 10th August 1892.

I have the honour to be,

Sir,
