From

EXECUTIVE ENGINEER,

To

THE Secretary to Government,
Public Works Department.

SIR,

With reference to G. O. N^o 929 W dated 14th March 1896 communicating G. O. Educational N^o 130 dated 5th March 1896 I have the honor to inform you that there is a tracer in my office named P. R. Govindarajulu Mudaly who has only passed the Government Technical examination in drawing (vide pages 1 and 2 the Supplements of Fort-Saint-George Gazette dated 18th August 1896 & 10th Nov^r 1896.)

(2) According to the order quoted above the tracer should have passed the Matriculation examination and Handwriting test.

(3) Govindarajulu is well up in his work and is most excellent tracer and I do not know how to replace him should Government make the order retrospective

and order his dismissal. The supply of qualified draftsmen is small and very few men qualified at the recent College of Engineering Examinations and, even if I could obtain one of these men, all the time spent in training Govindarajulu would be wasted.

(4) Under the circumstances I request that P.R. Govindarajulu may be exempted so long as he holds his present appointment.

(5) I may remark that if I did obtain a qualified draftsman on Rs 15 per mensem I could not hope to retain him in a temporary appointment for any length of time.

I have the honor to be,
Sir,
Your most obed^t servant,

W. S. P. S.
Executive Engineer
Light House D^o
