Sir,

With reference to your letter No.58, dated 26th January 1897, I have the honour to inform you that the Holme's patent eraser is not known to the Typewriter firms in this country, and is not therefore obtainable.

I am informed that it is an American invention and I therefore suggest that it should be purchased in India if obtainable there. If this should, however, not be practicable I will endeavour to supply it if you can furnish me with the name of the maker.

I have the honour to be, Sir,

Your obedient Servant,
