dated 13th April 1897, Ref on Cus No 2150.

Resolution

Submitted to Government with the
recommendation that. S. Kuppu Rao may
be exempted from passing the Upper-
Secondary Examination.

2. The circumstances of the case are briefly
as follows. Kuppu Rao having passed the
late Middle School Examination in the First
Class, rendered himself eligible for admission
into the Public Service under the rules in force
prior to 1894. He was accordingly entertained
as a Temporary Forester in September 1892
and.

and would have been made permanent, if sanction to the new scale of subordinate Establishment had been received before 1st January 1894. But the necessary sanction was not received until early in 1897 and Kuppurao has continued to be on the Temporary Establishment, admissible to "A Conservancy and Works". In the meantime he has passed the Departmental tests in Procedure and Accounts, and his work in the three districts, in which he has been serving, is well spoken of.

3. In sanctioning the new scale of the Subordinate Establishment, the Government of India pointed out that on bringing the scale into force, the reduction previously reported as possible in the cost of temporary establishment, should be effected from the outset, and in view of this the Conservator has in anticipation of sanction appointed Kuppurao Sub Forest Officer on Rs 15/-.

4. Kuppurao has now been in the Department for upwards of 4 1/2 years and it is clear that his failure to obtain confirmation is due to no fault of his. On the Board's opinion Kuppurao's case deserves special treatment, more especially as the Department can ill-afford

ill-afford to lose the services of trained men.

5. If Government is pleased to exempt Kuppurao from the Examination Rules the Board will be prepared to exempt him from the operation of the 25 years' rule.
