might be moved to exempt R. Verasami Naidu and S. A. Govinda Raja Mudali, Subprotem Foresters 2nd grade on Rs 25 p.m. in the Kistna and Bellary Districts, from the 25 years' rule and from passing the Matriculation Examination with a view to them being made permanent in the Foresters' class. Both of them have passed the Middle School Examination in the first class and were entertained as foresters prior to 1st ~~January~~ July 1894, when the rule debarring the employment of candidates who had passed only the Middle School Examination in the first class came into force, and it is stated that they would have been confirmed before the rule was changed, had vacancies then existed. The long delay in the grant of sanction to the re-organization scheme made it necessary to keep these men on the temporary staff, and they have now been in service for upwards of 3 years.

July?

3. The Conservator reports that R. Verasami Naidu has given satisfaction in the discharge of his duties. The work of Govinda Raja Mudali on the other hand was not so well reported on when in Anantapur, where he was originally employed. But since his transfer to Bellary he appears to have improved considerably, and on this ground the Conservator recommends his exemption also. There is, as has often been urged, considerable difficulty in procuring suitable candidates for employment in most of the districts of the Northern Circle. In view of this and of the fact that the Department cannot afford to lose trained men, the Board ventures to support the Conservator's application for the exemption of the persons named above from the operation of the Examination Rule.

4. If Government is pleased to exempt the individuals in question from the Examination rule, the Board will be prepared to exempt them from the twenty five years' rule.

THE HON'BLE MR. BLISS, C.I.E.
THE HON'BLE MR. GROSE, C.I.E.

SUBJECT.

Scholarships and medals attached to the Presidency & Kumbakonam Colleges

FOR ORDERS.

Owing to the reduction in the rate of interest the D.P.I. proposes the following changes in the Scholarships & medals noted below:-

(1) The Thompson Scholarship and Prizes. The present value of the Scholarship is Rs 120 a year & the value of the two prizes is Rs 25 and Rs 15. The D.P.I. proposes to reduce these to Rs 106, Rs 22 & Rs 12 respectively. The annual income from the endowment is Rs 143.

The D.P.I.'s proposal may be approved?

SK
31/3/7

(2) - The Subrahmanyam Scholarships. This endowment maintains three Scholarships - two senior scholarships of Rs 120 each and one junior scholarship of Rs 70. The D.P.I. proposes to reduce the value of the Senior Scholarships to Rs 114 each. The annual

income from the endowment is Rs. 300.

The D.P.I's proposal may therefore be approved.

(3) The Morris & Innes Gold medals.

The value of the gold medals is about Rs 60 each. The present annual income of the endowments is Rs 52 each. The D.P.I. states that appropriate medals for the amount available cannot be struck with the present dies. He therefore proposes to substitute silver medals worth Rs 3 or Rs 4 each and books for the remainder. The Director first proposed to substitute bronze medals; but T. Sundaram Aiyar, brother of the founder stated that it was not to his taste and suggested silver medals. The silver medals worth Rs 3 or Rs 4 cannot be struck with the present dies and fresh ones will probably have to be made; if so it is not understood why the value of the gold medals cannot be reduced to Rs 50 each. A suitable ~~decent~~ medal can be struck for Rs 50.

Orders are solicited?

(4). The Norton Gold medal.

The value of the medal is about Rs 32 according to the Presidency College Calendar p. 87. The endowment has been augmented by lapses & is now worth Rs 1000 against Rs 700 the original amount and yields an annual income of Rs x 35. The D.P.I. state that Messrs P. Orr & Sons cannot satisfactorily produce the medal for Rs 34 which barely covers the cost of the gold required. He therefore proposes to substitute a bronze medal and to pay the balance in cash. A bronze medal seems very inappropriate. It is submitted that the whole of the income Rs 35 may utilized for purchasing the gold required for the medal and the cost of striking it may be met from the contingent allowance of the D.P.I's office as hitherto or from that of the Presidency College. The D.P.I. himself says that the cost of striking is but little.

Orders are solicited.

S.R. 31/3

Please see G.O. No 446 Ed 29th Dec. 79 - Hay. D.

M 31/3/97

From G.O. 9 Dec 1879 no 446 Ed. (Hay D) it appears that Sundram Aiyer wishes the prizes to be gold medals, & as he has consented to silver medals, Govt need not object.

S.R. 1/4/97

What's the authority for this?

The quantity of silver that can be purchased for 3 or 4 Rs is greater than the quantity of gold worth Rs 60. The silver medals cannot therefore be struck with the same dies.

M 31/3/97

It depends to some extent on the thickness & compression. The D.P.I. can settle matters as to the die.

S.R.

x The D.P.I gives the income at ~~Rs~~ Rs 34-14-6. The sum of 1 anna 6 pies perhaps represent the commission.

I don't see the difficulty. The ~~value~~ intrinsic value of the medal shd. be the amt available (R.35) minus the cost of making it, which is perhaps only R one or two rupees

The D.P.I.'s proposals may all be accepted.
