First class.

These occupations are sought out of their present grades as the who are not eligible in the encouragement to deserving a large number but up to a number by the Deputy Commissioner selected by the Deputy Commissioner.

Recommendation
Assistant Secretary

Proceedings of the Board of Revenue

(Separate Revenue.)

Dated 5th May 1897.
Memo No. 1806.

Read letter from the Deputy Commissioner, Central Division No 15-31 dated 28th March 1897, submitting a statement furnishing particulars regarding certain petty officers recommended for exemption from the Examination Rules in view of their employment as Sub Inspectors.

Resolution

The Board begs to request that Government will be pleased to exempt the ten individuals referred to in the accompanying list from the operation of the Examination Rules in view of their being rendered eligible for the post of Sub Inspector, to which
under

under the Board's orders, they were appointed, in anticipation of sanction, when making the T.T. arrangements of October last. These ten men who were very carefully selected from a large number were recommended by the Deputy Commissioner for exemption in October last. But the Board had to call for certain further details regarding their work, character, and conduct and past service, which have been only recently received. Hence the delay in making this application. The Board is satisfied that the men deserve the concession applied for on their behalf and requests that its action in having ordered their appointment as Sub Inspectors in anticipation of sanction may be approved.
