into local opinion, and convened an informal meeting in Gudiattam, at which were present several leading officials, members of the Municipal Council and pleaders. After a free mention of possible objections, an entire willingness on the part of all present, without a dissentient, was accorded to the proposed transfer."

3. I may say that had the school been taken up by the American Mission, I intended to seek the sanction of Government to the transfer of the establishment to some locality in need of a school, such as Ambur or Pallikondah.

4. I am writing this merely in order that the facts of the case as far as the Department is concerned may be placed on record. My attitude in regard to this matter has been in strict accordance with the recommendations of the Education Commission.

I have the honour to be,

Sir,

Your most obedient servant,

J. Durian

Director of Public Instruction.
