I most humbly beg to bring the following into your honour's kind consideration and favourable orders.

I passed the Middle School Examination in the 1st class in 1890 and joined the Public Works Department as a temporary clerk in June 1891. Ever since, I have been discharging my duties as overseer's Clerk and Accounts' clerk to the entire satisfaction of my superiors, but unfortunately, I have had no chance of getting any permanent appointment though the Examination I have passed was, prior to the issue of Public Service Notification No 317 dated 9 May 1894, one of the Educational qualifications for appointment to a post carrying with it a pay of Rs 15 and upwards and classed as superior. The above notification debar the Middle School Candidates from getting permanent appointments.

4
appointments in Public service.

2. In the year 1892, I was offered a permanent place of Sub. Inspectors' place in the Akkari and Salt department, but I declined the offer being confident that I may have better prospects in this department as I had then acquired some experience in the departmental work, and as I had educational qualifications sufficient under the rules then in force to secure a permanent appointment in the superior grade. I beg to enclose herewith a statement of my services rendered in this department for your honor's kind perusal. From this it will be seen that I have been holding temporary appointment in this department continuously from 1891 i.e., prior to the issue of the Public Service notification referred to in Para 1 above came to force.

3. I was favoured with a permanent Overseer's Clerk place on Rs 157 rising to 20 in Superintending Engineer No 2651 dated 20-11-95, but unfortunately but unfortunately it was cancelled in his No. 1659 of 3-9-96, as the Government as not pleased to exempt me from the

Examination

5
Examination rules now in force which was apparently due to my poor case not having been properly represented to Government.

4. The rules contained in the Notification referred to do not affect the promotion of persons who held permanent appointments before they first came into force nor do they affect acting incumbents of a particular appointment being confirmed for the first time, when the acting post fell vacant, even after the date of the Notification. No provision has however been made in the new rules for persons like myself who secured temporary appointments in the department prior to the date of the Notification in question and continue to hold it without interruption up to date.

5. It will thus be seen that I joined ~~joined~~ the department 3 years prior to the issue of the revised Public Service Notification of May 1894 and ever since i.e., for the last 6 years, I have been discharging my duties to the entire satisfaction of my superiors, fully depending on this department only. Simply because I was not fortunate enough to get a permanent

posting

80 468/2d
6-8-96

footing, for want of a chance in the department prior to the issue of the notification of May 1894, I am entirely debarred from holding a permanent appointment of Rs 157. for me and am thus brought to the level of a miserable unpassed candidate whose existence is only a life-long misery.

6. Having been reduced to this unfortunate state, I have been, for the last one year, thinking over to approach your honour in view to placing my poor case in a vivid manner and pray for mercy at your generous hands which is the only course left open to me under the circumstances stated in the foregoing paragraphs. At this juncture, I hear that one Rudrapa, a temporary unpassed hand who was placed in the same circumstances as those of mine in respect to the examination rules and who is junior to me had been exempted from the examination rules on the recommendation of the Executive Engineer, Bellary Division. As this is no doubt precedent for the favourable consideration of

80 43 54
21-1-97

I
of my poor case which has better claims than Rudrapa, I most respectfully and earnestly pray that your honour will graciously be pleased to give your merciful consideration to my pitiful case and to recommend me to Government for exemption which is nothing short of giving me livelihood throughout my life.

Begging to be pardoned for the liberty taken.

Endorsement on the above by —
the officer in charge of Division, Bellary.

No 13
3-4-97 Forwarded to the Superintending Engineer with a strong recommendation that the applicant be made permanent. He is a good clerk and with 6 years' experience, is of considerable value. If the facts of his case are as stated by him, I think it hard lines he was not made permanent long ago.

Endorsement by the Superintending Engineer, III circle.

No 276 W. C. No 604 Edl. Encl. one Proposition Statement.

Copy forwarded to Chief Engineer, Public Works Department with a very strong recommendation that Clerk. M. Narasiah Naidu may be permanently exempted from the Examination rules as revised in Public Service Notification printed at page 70 Part I B. of the Fort St. George Gazette dated 12th Feb 1895 so that he may be appointed to a permanent post anywhere in the III circle, in the same manner as J. Rudrappah has been exempted in G.O. No. 346 W. dated 5th January 1897.

2. These 2 men are the only clerks in this circle on whom the above quoted Examination rules bear hardly and the one is as deserving of exemption as the other.
