In submitting the enclosed letter from the Surgeon-General to the Chief Secretary, with plan and estimate for the construction of a tiffin and general waiting room for the students of the Medical College, I have the honour to refer Government to paragraph 2 of the Principal's letter, No. 68, dated 11th June 1896 (copy enclosed), from which it will be seen that only slight alterations are necessary to be made in the present European students' tiffin-room so as to make it suitable for the Assistant Professors.
