The Overseer,

Adiantum pollicem Saluz.

Respected Sir,

I beg respectfully to submit that I have studied up to the Matriculation Standard and have been employed as a draughtsman on Rs 30/- mensum in the late No: 1. Puriyar Dr for a period of about one and a half years

I have been working in this Division since August 1896.

As I understand that the
Superintendent of the Pomery Chan-
-nel has resigned his appointment
I request that I may be recommended
for the post of Superintendent in
which I am now acting.

Should I succeed in my at-
tempt there will be nothing wanting
on my part to give my superiors
entire satisfaction.

Submitted to the Subdivisional Officer for favourable Consideration.

This maistry is now looking after the duties of the Superintendent in addition to his own duties as a maistry. Although he has not passed any examination still he possesses a fair knowledge of English. He is now trying to learn Tamil. He is painstaking, trustworthy and obedient and I think his present qualifications are enough for the post as it carries only a pay of Rs 10 per mensem.

No. 3641.

Forwarded to the Divisional Officer for favourable Consideration.

Though the applicant has not passed any examination still he is a well behaved and trustworthy hand who can be left safely in charge of the works in such an out

way of place as Vappur.

No. 76 P.E.

(True copies) Submitted to the Superintendant for favourable Consideration.

2. It will be seen from the reports of both the Overseer and the Sub. Div. Officer that the maistry is quite competent for the post of Channel Superintendent the pay of which is only Rs 10. Although the maistry is not qualified by general education tests he possesses such knowledge as is necessary for the due performance of his work and I therefore request that he may be recommended for exemption from examination rules as it is not possible to secure the services of a passed man for the appointment which carries with it only a small pay of Rs 10 per mensem to stick on for any length of time as passed men generally make such appointments as a stepping stone

for better ones elsewhere. At present
the maistry will only be appointed
as acting superintendent as the per-
manent man is on other duty but
there is every chance of the maistry
standing a chance for a permanent
vacancy sooner or later. Under these
circumstances it is requested that
the recommendation for exemption
from examination rules may be made
as a special case.
