Dated Madras,

25th May 1897.

Letter from the Suptg. Engineer, III Circle,
No. 885 W. dated 10th May 1897.

Note by the Chief Engineer P. W. D.:
No 321, 25th May 1897

There are now two Engineer student
and 7 Engineer Subordinate students going
through the practical course in the I and
III Circles. They must go through the equita-
tion course to complete their practical train-
ing, and they must come to Madras for it
before the end of the hot weather, or else the
riding school will not be available for them.
These students are now employed on
Jamini Relief Works and cannot at pre-
sent be moved. The Chief Engineer there-
fore recommends that they be excused
from going through the riding course,
and that they may be considered to
have completed their practical train-
ing without it.
