Sanctioning the transfer of the — to the Manager of the Town High School on the conditions stated by the Examiner.

READ—the following papers :—

From the Honourable Mr. D. DUNCAN, M.A., D.Sc., LL.D., Director of Public Instruction, Madras, to the Secretary to Government, Local and Municipal Department, dated Madras, 1st December 1896, No. 12952.

The Government building at Erode, lately occupied by the Salt and Abkari Department under G.O., No. 2201 W., dated 9th August 1892, having been vacated, I have the honour to recommend that it be lent for a period of twenty years to the Manager of the Town High School, Erode, for the use of the school, subject to the conditions (i) that the building is kept by the manager in good repair to the satisfaction of the departmental officers; (ii) that the manager bears the cost of the extensions that he may find necessary from time to time; and (iii) that if the school be meanwhile closed no claim is preferred against Government for outlay incurred for improvements. In its order, No. 314, Educational, dated 24th April 1895, Government sanctioned the transfer of the Madanapalle Government school-house to a Native Committee on precisely the same terms.

2. The building in question is not required for this department, the only Government school in the locality, viz., the Government Girls' school, having been properly accommodated in the Municipal building (*vide* G.O., Mis. No. 907 M., dated 13th July 1893). It will be seen from the enclosed extract of the Proceedings of the Municipal Council, Erode, that the council also is not in need of the building for the present. The inhabitants of Erode having contributed about one-half of the cost of its construction (*vide* G.Os., Nos. 232 and 26, Educational, dated 15th July 1862 and 20th January 1867), I think that the claims of a native institution like the Town High school, which owes its existence solely to private enterprise, are worthy of favourable consideration. The manager is prepared to execute the necessary bond.

From HERBERT BRADLEY, Esq., Collector of the Coimbatore District, to the Secretary to Government, Local and Municipal Department, dated Coimbatore, 13th March 1897, Dis. No. 880-Rev.

In reply to Government memo., No. 57, Educational, dated 9th January 1897, I have the honour to enclose a copy of a report just received from the Sub-Collector who recommends that the building should be made over to the Manager of the High school in accordance with the proposal of the Director of Public Instruction.

2. It is, however, not a fact that the building is not required by any other public department, as the Assistant Commissioner, Salt and Abkari Revenue, Trichinopoly sub-division, reports that it is required for an office for the Inspector of Salt. The building is larger than is really necessary for an Inspector's office, and it would certainly be wasting it to give it to the Inspector for his office.

Memo. No. 783, Educational.

Approved and transferred to the Public Works Department for the issue of the necessary orders.

Office-note from the Examiner, Public Works Accounts, dated Madras, 15th May 1897, No. 1520 D./A.

[Your office-note, No. 2413 C., dated 8th May 1897.]

The school building at Periyakulam was temporarily lent to the Manager of the Hindu High school on conditions that it should be kept in repair and handed back to Government on six months' notice (*vide* G.O., No. 2739 W., dated 30th September 1889).

The building at Erode may be lent on the same conditions if Government have no objection.

ORDER—No. 1441 W., dated 28th May 1897.

The transfer of the Government building at Erode to the Manager of the Town High School, Erode, on the conditions stated by the Examiner, is sanctioned.

H. E. THE GOVERNOR.

THE HON'BLE MR. BLISS, C.I.E.

THE HON'BLE MR. GROSE, C.I.E.

Educational DEPARTMENT.

SUBJECT.

Govt school building at Erode

FOR ORDERS.

In cno 1427 of 96, the D.P.I. recommended the transfer of the Govt school building at Erode to the Manager of the Town High School Erode for the use of the school & before passing final orders on the current, the Collector of Coimbatore was requested to report if the building was required by any public dept or for any public purpose.

In cno 359 the collector forwards a letter from the Sub-Collector recommending the transfer of the building to the manager of the Town High School, Erode, and states that the building is wanted for an office for the Inspector of Salt and abkari Revenue but that it is larger than is really necessary.

As! he does not say so; he states that the Salt Inspector said so but it is pointed out that the Board has already ordered that dept. to vacate the building at one time they did occupy.

for an Inspector's office & that it would certainly be wasting it to give it to the Inspector for an office.

A memorial also is received from some of the inhabitants of Erode (vide L & M no 1210) praying that the building, a moiety of the cost of which was subscribed by the people, may not be used for purely Govt and non-educational purposes and that the Town High School may be allowed to be located in it.
