SUBJECT.

The D.P.I. has already been
distinctly informed that
no certificate can be
given. Yet he takes the
occasion of this petition
to recommend it in the
letter of the 1st order. The
petr., whose third appearance
this is, is fortunate!
There is no more reason for
granting the certificate now
than there was when first
deliberately decided to refuse it.
He has already received every concession he deserves.

Submitting with remarks
the petition from K. Kannan Nayar,

Teachers' Certificate under the
circumstances stated.

Lo

His Excellency the Governor in Council
of Fort. St. George,
Madras.

(Thro' the Director of Public Instruction, Madras.)

The humble petition of K. Kannan Nayar, School Master,
Parlakimedi, Ganjam District.

Most Respectfully sheweth that:-

1. The petitioner lately petitioned the Government to re-Consider their Order No. 31, Educational, dated 18th January last and has now received through the Director of Public Instruction, Madras, their reply No. 235, Educational, dated 23rd April, for which the petitioner humbly begs to tender his thanks to the Government.

2. From the Proceedings last quoted it is evident that the Government have ~~no~~ objection only to the petitioner's drawing grants from Public Funds but not to the petitioner's employment in a recognised institution under private management. But the order withholding the issue of the petitioner's Teachers' Certificate has practically the effect of preventing the petitioner from seeking employment in any such school. Owing to the stringent conditions of the Madras Educational Rules, it is now very difficult

difficult and almost impossible for an uncertificated teacher to get an employment in a recognised institution especially because of the large number of certificated teachers now available. Apur Gillmore, petitioner has been a very successful teacher for the last 8 years and in the training College where he underwent training in 1892 he acquitted himself very creditably. But these qualifications are of no practical avail in the absence of a Teachers' Certificate to which managers of private institutions always give preference. Thus the fact that the petitioner is deprived of his "Teachers' Certificate" stands in the way of his seeking an employment to which the Government say they have no objection.

3. The petitioner has, in his petition disposed of in G.O. no. 235 dated 23rd April, clearly stated the reasons why the petitioner's Teachers' Certificate does not deserve to be withheld. But in spite of the reasons, the Government have refused to issue the Certificate apparently because they do not like to allow the petitioner to draw grants from Public Funds. The petitioner will be, under the circumstances, satisfied if it is not made practically impossible for him to get an employment.

employment in any unaided institution. Even in the institution where he is employed at present it is not unlikely that the petitioner may be required to vacate the post when a certificated teacher, duly qualified, is available.

4. Under these circumstances the petitioner humbly prays Your Excellency to be so kind as to direct the issue to the petitioner of his Teachers' Certificate bearing if necessary an endorsement (such as "Not eligible for grants from Public Funds") which while making him ineligible for grants from public funds will enable him to seek an employment in a recognised institution under private management.

For which act of mercy the petitioner shall be very thankful to the Government.

2. The undersigned would recommend that the teacher's Certificate applied for by him may be given him without the endorsement referred to in para 4 of the petition. The Department will take care to see that no grant is given him from public funds.
