Proceedings of the Board of Revenue

(Land Revenue),

Dated 5th June 1897.
Forest No. 532 Miscellaneous

READ Letter from the Conservator of Forests, Central Circle, dated 29th April 1897, No 1591 and the following reference thereon dated 15th May 1897.

The Conservator is requested to report whether qualified candidates are not available.

Read also letter from the Conservator of Forests, Central Circle, dated 21st May 1897, R.C. No 2723.

Resolution

Submitted to Government with the recommendation that Gopinathay Iyengar a plantation supervisor in the temporary establishment in the North Arcot District, may be exempted from the Upper Secondary Examination with a view to his being appointed as

as a forester on the permanent establishment.

2. Ganapathy Mudellija has passed the Middle School Examination in the Second Class and is reported to be tolerably well acquainted with the English Language and to write a neat hand. He has been in the temporary establishment of the Department since 1891 and has served in various capacities to the satisfaction of the District Forest Officer. The Conservator considers that the Supervisor's case is analogous to that of a deserving unpassed Forest Guard whose promotion is permissible with the sanction of Government (vide appendix VII to the For. Code); and adds that although passed candidates are available still they cannot be expected to possess the experience which Ganapathy Mudellija possesses. page 241

3. In these circumstances the Board supports the Conservator's recommendation and requests Government to sanction the exemption asked for so far as Ganapathy Mudri's employment in the Forest Department is concerned.

4. If Government is pleased to sanction the Supervisor's exemption from the Examination rules, the Board will be prepared to exempt him from the 25 years' rule. (True Extract)
