Sir,

The Superintendent Reformatory school, Chingleput,
reports that, as cholera has broken out in the town of
Chingleput, it is very necessary that a Hospital Assistant
should be attached to the school. I have therefore the
honour to request that one of the Hospital Assistants not
attached to hospitals but available for general duty may
be deputed to do duty in the Reformatory Hospital. It will
be seen from the enclosed docket of the Surgeon General,
who was consulted on the subject, that he is in favour of
the proposal and considers that the appointment of a
third class Hospital Assistant would answer the require-
ments of the case.

I have the honour to be,
Sir,
Your most obedient servant,
