This period expires on 30 th June 1897—		Effort has been made to obtain passed men locally but none are forthcoming. He is qualified for the appointment. He is the son of an old and experienced Sub. Inspector whose faithful services merit that some consideration be accorded to his son.

Proceedings of the Board of Revenue

(Separate Revenue.)

Dated 2^d July - 1897.

M. S. No. 2756.

Read the following letter from the Deputy
Commissioner, Northern Division, No. 1557 Dated
23^d June 1897: -

"I have the honor to submit herewith
an application for permanent exemption
from the examination rules, on behalf of
one V. Ramaniar with a view to his being
appointed a clerk or Sub Inspector in the
Department. In forwarding the above
the Assistant Commissioner, Chatsapur,
states: -

"The candidate has been working very
satisfactorily during the past 5 months
and has proved himself well fitted for a clerk's
post. I need hardly reiterate that the
difficulty in securing the services of passed
candidates

candidates still continues and it is most unlikely that such candidates will come forward especially at a time when so many passed and unpassed men are being taken on famine duty. It has also been repeatedly urged that for some reason or other, the few Matriculates available in this Sub Division are not inclined to take up appointments in this Department on Rs. 15 or 20 in preference to those in the Land Revenue Department. Carrying the same or even a less salary and it is, of course, out of the question to expect undergraduates to work in the outlying stations such as Summa or Surda on Rs. 15. It may be mentioned en passant that the 4th and 5th clerks' posts in the Sub Divisional office itself were left vacant for some months together for want of passed candidates. It is with the greatest difficulty a Matriculate could be obtained and even this man has had to be exempted from the Hand Writing test.

test tentatively for one year. Under these circumstances, I beg to strongly support the application of V. Ramamurti for exemption from the examination rules permanently in view to his being appointed as clerk or Sub Inspector according to his qualifications. The candidate is an intelligent man, writes a neat hand and is highly spoken of by Mr. Brindley.

"2. I beg also to bring to your notice that this youth is only 5'-3½" in height, but chest girth is 35". He is stoutly built, of a hardy constitution and the extra chest girth more than makes up for the ½" deficit in height. I beg therefore he may be exempted from standard height.

"3. I may also state here that this candidate is the son of 1st grade Sub Inspector V. Jagannatha Rao of the Ganjam circle, who is, so far as I know of him, one of the most honest and hardworking officers of this Sub Division, having put in a service of nearly 15 years. I consider, therefore

Therefore, that this is another reason for favourably considering his son's case."

2. Under the circumstances reported I support the Assistant Commissioner's recommendation."

Resolution:

Submitted to Government with the recommendation that the Candide V. Ramamurti may be exempted from the operation of the examination rules.
