Sub-Assistant Inspectors of Muhammadan Schools.

Accepting the recommendation of the Director of Public Instruction that —, so long as they are in charge of Muhammadan ranges, be exempted from passing in a vernacular language under the Sub-Assistants' Test notification.

GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper:—

From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., LL.D., Director of Public Instruction, to the Secretary to Government, Educational Department, dated Madras, 10th June 1897, No. 6137.

I have the honour to request that Sub-Assistant Inspectors of Muhammadan Schools be exempted from the rule requiring sub-assistants to pass in a vernacular under the Sub-Assistants' Test notification before confirmation in the office. This provision was originally inserted with a view to enable the Director to have free scope in the matter of the transfer of sub-assistants. In the case of the sub-assistants of Muhammadan schools, this reason does not exist. They are in charge of schools where Hindustani is taught, and even when they are transferred, they are transferred only to another range of Muhammadan schools and not to the ranges of non-Muhammadan schools. Moreover, the sub-assistants of Muhammadan schools are in charge of several districts and more than one vernacular may be spoken in their ranges. Besides, the great amount of travelling they have to perform renders it difficult for them to master a foreign language while they are on active duty. In view of this difficulty and also of the fact that a knowledge of a vernacular is not of so much use to them as in the case of sub-assistants of boys' and girls' schools, I beg to recommend that they may be exempted from passing in a second language so long as they are in charge of Muhammadan ranges.

ORDER—No. 411, Educational, dated 20th July 1897.

The Director of Public Instruction's recommendation is accepted.
