GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following papers:—

From C. W. S. KYNNEERSLEY, Esq., Acting Colonial Secretary, Straits Settlements, to the Secretary to the Government of Madras, Educational Department, dated Singapore, 1st July 1897, Medl. No. 4684-97.

I am directed by the Governor of the Straits Settlements to inform you that it is proposed, with the permission of the Government of Madras, to send two student apothecaries to Madras about the 15th instant, so that they may arrive in time for the opening of the session at the Madras Medical College on the 2nd proximo.

2. The names of the students are E. D'Souza and G. W. Branson. They have both passed the VII standard of the Government Educational Code, as well as in extra subjects, and it is presumed that, as in previous cases, the examination they have passed will be considered as the equivalent of the preliminary examination prescribed in the notification in the *Fort St. George Gazette* of the 18th of June 1889, page 906. In connection with this point, I am to refer you to my letter, No. 8515-93, of the 4th September 1893.

3. The students will be instructed to report themselves, on arrival at Madras, to the Principal of the Madras Medical College, and His Excellency will be much obliged if you will be good enough to issue the necessary instructions for the payment of their salaries and fees, which can be debited to this Government in its account with the Government of India.

4. Their salaries, commencing from the 2nd proximo, will be at the same rate as in former cases, namely—

	Per mensem.
First year	RS. 41
Second year	46
Third and fourth years	51

From C. W. S. KYNNEERSLEY, Esq., Acting Colonial Secretary, Straits Settlements, to the Secretary to the Government of Madras, Educational Department, dated Singapore, 6th July 1897, Medl. No. 4684-97.

With reference to my letter of the above number, dated the 1st instant, I am directed to inform you that, instead of sending G. W. Branson as a student apothecary, it is now proposed to send Phuah Chin Beng, a Chinese lad, who has passed the VII standard of the Government Educational Code and who took the third place in the recent examination for scholarships awarded by this Government.

ORDER—No. 424, Educational, dated 26th July 1897.

Communicated to the Director of Public Instruction.

2. The admission of E. D'Souza and Phuah Chin Beng into the Medical College is sanctioned.
