SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

To

THE HON. THE CHIEF SECRETARY TO GOVERNMENT,

Educational DEPARTMENT.

SIR,

I have the honor to state that the Principal, Medical College, Madras, reports that the three dozen pairs of dissecting forceps received last month in compliance with his last year's Home indent are quite unsuited for dissecting human bodies. He states that what he indented for was "Dissecting forceps long bladed" it being expected that instruments similar to those supplied in the previous year would again be supplied this year with the exception that their blades should be longer.

2. Under these circumstances, I request that the Director General of Stores, London, be asked to take back the whole supply and send fresh ones in lieu thereof (vide Messrs. Arnold and Sons Catalogue of instruments for 1895, page 101, Figure 350, each forcep costing 2/6)

I have the honor to be,

Sir,

Your most obedient servant,

F. Sibthorpe
