Requesting sanction for the appointment of a permanent asst. clerk on Rs. 12 p.m. and a temporary clerk on Rs. 10 for six months in lieu of a temporary clerk on Rs. 15 for six months and a permanent attender on Rs. 8 in the office of the Secretary to the Board of Examiners for Teachers' Certificates.

Why no sanction? Has it even before been laid down into regard to this examination? The Director's proposals will be not in accordance with the prop. stat. It will be done at Rs. 2 a year, but suppose he means Rs. 2 a month.

OFFICE OF THE DIRECTOR OF

Madras, 11 June 189

therefore to request sanction for these servants being paid at the old rates of salary viz Rs. 6 and Rs. 7 till orders are passed on the proposal contained in the next paragraph.

3. The Secretary recommends that, instead of a temporary clerk on Rs. 15 for six months and a permanent attender on Rs. 8 a permanent second clerk on Rs. 12 per mensem and a temporary clerk on Rs. 10 for four months be appointed. I support the above recommendation not only because it involves no increased expenditure (there is a saving of Rs. 2 a year) but also because it will strengthen the clerical establishment and enable it better to cope with the work. One permanent clerk is unable to overtake the growing work of correspondence. Government is aware that the theoretical examination is held twice a year and about 2500 candidates appear for the examination, while the practical test is held almost all through the year. The registration of the candidates and the correspondence work is heavy and growing. The temporary clerk will ordinarily be employed for two months at a time in connection with each of the two written examinations.

The necessary proposition statement is submitted in duplicate.
I have the honour to be,

Sir,

Your most obedient servant,

J. G. Srinivasan

Director of Public Instruction.

NOTE FOR THE SECRETARY.

Please see H.M.'s query on 20/7/1906.
It is laid down that the examination should be self supporting. vide clause (37) of G.O. no. 271 Ed. & 28th March 1892, in the portion dealing with Section VIII of the Madras Educational rules, where the Govt. said that the examinations for the teachers' certificates should pay their own expenses ultimately and adopted tentatively the scale of fees proposed by the D.P.I. The Govt. has since enhanced the scale of fees with a view to make the examination self supporting. vide para 4 (b2) of the D.P.I.'s letter printed in G.O. no. 337 Ed. & 6th June 1896.
Strictly speaking the D.P.I.'s proposals will increase and not reduce the expenditure. In G.O. no. 790 Ed. & 28th Dec 1896, a clerk on Rs 20 throughout the year and a copyist on Rs 15 for six months in the year are sanctioned. This establishment costs Rs 330 a year. The D.P.I. now proposes to have two

other on Rs 12 a month, a temporary clerk for four months on Rs 10 and a peon on Rs 7. This establishment will cost Rs 508 a year as shown in the margin or Rs 178 more than the cost of the present establishment. The D.P. states that in addition to the sanctioned establishment he was maintaining an attender on Rs 8 and a peon on Rs 7, paying them out of his contingent money. It is by taking these unauthorized charges into consideration that he makes out that his present proposals will result in a saving of Rs 2 a year.

It may also be noted that if the examination is not self-supporting, the members of the Board cannot be remunerated without the special sanction of the Govt of India or the Secy of State as may be necessary - vide art 89 (d) of the Civil Service Regulations.
