EDGAR THURSTON, Esq.,

As SUPERINTENDENT,

Government Museum,

Madras,

To

The Secretary to Government,

Social and Municipal Departments.

Through the Accountant General, Fort Saint George.

SIR,

I have the honour to state that the Budget grant

of Rs 500 for lithographing plates is not likely to be required

during the current year and to request that the amount

may be used to defray the bulk of the cost of the

Anthropometric apparatus sanctioned in G.O. No 333, 2. Deca.

-dional, dated 14th June 1897. I proposed in my letter No 422

dated 17th May 1897 wherein I sought sanction to purchase this

apparatus to defray the whole cost from the grant for

fittings and furniture, but now find that this latter

grant is likely to be fully expended upon the usual items.

2. The exact cost of the Anthropometric

apparatus is not yet known but is estimated at Rs 687.12.10.

if Rs 500 of this may be met from the grant for
Lithographing Plates, I would ask that the remainder
may be met from the grant for the purchase of objects
of interest and coins at Head Quarters.

I have the honour to be,

Sir,

Your most obedient servant,

A. G. Bawls

Ag. Superintendent,

Government Museum.

N. 2725

Fort St. George,
Accountant General's Office,
3rd September 1897.

Forwarded to the Secretary to Government
Local and Municipal Department. No expenditure was
incurred up to date out of the grant of Rs 500 for Litho
graphic plates. A sum of Rs 139-14-0 only was spent
up to the end of August out of the grant of Rs 700 for objects
of interest and coins.
