From

E. Scott Esquire,

President, District Board, Nellore.

To the Secretary to Government, Local and Municipal Department,
Madras.
through the Surgeon General with the Government,
of Madras.

Sir,

I have the honour to request that the
Sanction of Government may be obtained
for exempting Miss Kanakayya, one of the
female hospital Assistants under the
Nellore District Board, from passing the
Matriculation examination so as to enable
her to study for the Apothecary grade.
The District Medical and Sanitary Officer
states that "she has sufficient ability
to enable her to undergo the Course of Study
for Apothecary's grade, that she has always
been steady and well conducted."

2. There are two female hospital Assistants
in this District Board (including Miss Kanakayya)
and they are at present employed in the
female hospital at Nellore under the
Control of the Municipal Council who
have recently, on the recommendation of the
Surgeon-General, resolved to have one
female Apothecary for the hospital.

It has therefore become necessary either to dispense with or to utilize the services of one of the two hospital assistants otherwise.

3. The current year's Budget makes a provision of Rs 25 a month for a female-apothecary scholarship and if Government is pleased to exempt Miss Kanakayya from passing the Matriculation examination, she will be allowed the Scholarship of Rs 25 above referred to.

4. Early orders are solicited on the subject as the Medical College Session begins on the 2nd Proximo.

I have the honour to be

Sir,

Your most obedient servant

My dear Foster.

From D.O. St. Michael
dated the 6th August
Regarding Mr. L. Kanakagga
My principal reason for
not recommending her was
that the Commission was to
commence the 1st August
and there was not time
for me to make suggestions
into her abilities. As a
rule this class of women

have not had the
primary Educational
Training which would
fit men to be apothecaries.
and I was rather
doubtful of Thornhill's
support, he is too
timid in that way.

If God thinks them
wiser he trained men
you and you will
return me the
papers I will refer
the question to the
Principal of the Med

College, who will, from
the records there, or his
own experience, be able
to say whether the
young man is likely
to benefit by the
further training.

Yours sincerely

My dear Forbes.

I have just learnt from
the acting Director P. J.
that Miss L. Kanakia
has been permitted, on the
recommendation of the
Principal to join the
College in anticipation
of the sanction of Govt.
I think the best thing
would be for Govt to
call on the Principal

through me to report
whether she is likely
to be accepted by the
University

Yours sincerely
