To the UNDER SECRETARY OF STATE FOR THE COLONIES.

SIR:

IN compliance with applications from the Colonial Authorities, I have now the honour to forward to you a packet of Examination-Papers for the ensuing *B.A.* Examination, to be transmitted, at your earliest convenience, to the Governor of

Madras

The Examination will begin in this country on *October 25th*, and it is hoped that the packet will reach its destination in time to permit of the Examination at *Madras* commencing on that day; but in case of unavoidable accident or delay it is requested that the Examination may be fixed to begin on the first Monday after the arrival of the papers.

I may remind you that it is an essential condition of holding these and all Colonial Examinations that the Sub-Examiners superintending them be appointed by the several Colonial Governors, and I am to request that the attention of the gentlemen so appointed may be specially directed to the "Instructions to Sub-Examiners" referred to below.

In each packet are included—

1. A copy of the Conditions on which Colonial Examinations are instituted by the Senate.
2. A copy of Instructions to the Sub-Examiner in charge of the Examination.
3. Copies of the Regulations relating to the Examination.
4. Entry-Forms, one of which must be carefully filled up by each Candidate who presents himself.
5. A supply of Admission-Cards.
6. A pattern Answer-Book, to which it is requested that the books used at the Examination may be made to conform as nearly as may be found practicable.

As Colonial Examinations are held only on the application of the Colonial Authorities and solely for the benefit of the Colonies, it is expected that the small charges for the requisite stationery will be borne by the several Colonial Treasuries.

I have finally to request that the Fees (which should have been paid to the Governor or his representative at least a month before the commencement of the Examination) and the Answers of the Candidates, *together with the filled-up Entry-Forms*, may be forwarded to me, through your Department, as soon as possible after the close of the Examination. If, however, no Candidates should present themselves, none of the papers contained in the packet need be returned; but it is very important that I should be informed of the fact without delay.

I remain, Sir,

Your obedient Servant,

F. VICTOR DICKINS,

Registrar.
