No. 985 of 1897-1898

SENATE HOUSE, 15 September 1897.

FROM

THE REGISTRAR OF THE
UNIVERSITY OF MADRAS,

TO

The Secretary to Government

Local and Municipal Department

Fort St George.

SIR,

Under the instructions of the Vice-Chancellor and Syndicate of this University, I have the honour to call your attention to the refusal of the Accountant General to pay certain fees awarded to examiners for services rendered in connection with the recent University examinations.

2. The objection to these payments was made under section 91 of the Civil Service Regulations which requires persons holding Government appointments to obtain sanction before they are permitted to receive fees "from a public body whose funds are not administered by Government", for sums up to Rs.100/-, from the head of the department, for sums up to Rs.500/-, from the Local Government, for sums above Rs.500/- from the Government of India. An order from the Government of India recently published in the local newspapers provides that this last sanction may be granted by the local Government.

3. I have the honour to represent

(a) That this rule has never before been enforced with reference to honoraria awarded by the University to examiners since the foundation of the University in 1857.

(b) That if the University is debarred from

utilising the services of Government servants as examiners it will be impossible for the University to satisfactorily conduct its examinations, especially those which are concerned with special sciences.

(c) That if every year each examiner who holds a Government appointment is to obtain a special sanction from Government to permit him to receive his examination fee, a sanction which, in the present circumstances, he must obtain before accepting the appointment as examiner, delays will be caused which will very seriously interfere with the examinations and may indeed render it impossible to hold them satisfactorily, as examiners must be appointed at least six months before the examination begins.

4. I have also the honour to call your attention to the fact that although it now appears that the Accountant General contemplated the enforcement of ~~the~~ Article 91 in the case of the University examiners several months ago, no notice of his contemplated action was vouchsafed to the University, and also that the order of the Government of India referred to above, although published in the local newspapers, has not been communicated to the University.

5. In these circumstances I have the honour to enquire whether Government will be pleased to permit the University to apply annually for the required sanction on behalf of such of the examiners appointed as are public servants.

I have the honour to be

Sir

Your most obedient servant

H. Coof Oakley

Registrar.
