ACCOUNTANT-GENERAL TO THE

GOVERNMENT OF MADRAS,

To

THE *Secretary to Government*
Educational Department.

SIR,

With reference to Government Order No 578, Educational, dated the 10th of September 1897, I have the honour respectfully to represent that the investment of the balance of the Malabar Orphan Asylum Fund does not seem advisable. Government having charged itself with the maintenance of the orphans under Government Order No 482, Educational dated 29 June '94, the funds of the asylum have been credited in the accounts to XXV Miscellaneous and the charges are being debited to 32 Miscellaneous. If the balance is now invested the cost of investment will be

be

be debited in lump to 32 Miscellaneous Refunds, thus swelling both sides of the account. Moreover the balance having been reduced to about 5000 Rs and odd, interest on the notes to be purchased will amount to only Rs 186 while the charges amount to Rs 1116. The deficit of Rs 930 will then have to be made good either by a Government Donation or by a sale of a portion of the notes. In the former case no object is gained by treating the account as a Trust, while in the latter the interest diminishes year by year and only a small sum say Rs 1000 will be credited as interest during the time that the account lasts. If desired, I can enter, on the receipt side of the account submitted to Government annually an amount equal to $3\frac{1}{2}$ per cent of the opening balance.

I have the honor to be,
 Sir,
 Your most obedt servant,
 W. Harris
 Off Accountant General.
