READ—the following paper:—

G.O., No. 331, Educational, dated 12th June 1897.

Read—the following papers:—

Copy of letter from the Director of Public Instruction, Madras, dated 26th June 1896, C. No. 319.

I have the honour to submit, for sanction, an additional estimate for Rs. 10,608 for laying on water to the Professors' lavatories in the new Law College building and for carrying on the stair-case in the main spiral towers to the level of the roof. These improvements are considered by the Principal to be absolutely necessary.

Copy of letter from the same officer, dated 5th February 1897, No. 1142.

Adverting to official memo. No. 1395, Educational, dated 14th July 1896, I have the honour to submit, for favour of early sanction and transfer to the Public Works Department, a plan and a revised estimate of Rs. 4,651 for providing four private rooms for the staff of the Law College, and water-supply to, and lavatory accommodation for, three of the above rooms. It will be observed from the enclosed copies of letters from the Principal, Nos. 56 and 94 of the 11th August and 5th November last, and No. 7, dated 20th January 1897, that the original estimate for additional works has been reduced from Rs. 10,608 to the above figure by abandoning altogether the scheme for further stair-cases in the towers.

Endorsement of the Public Works Department, No. 2595 C., dated 20th May 1897.

Order—No. 331, Educational, dated 12th June 1897.

With the second of the letters read above the Director of Public Instruction submits a revised estimate for providing in the Law College building four rooms for the private use of the Professors and for laying on water to three of them. The estimate is approved with the exception of the items relating to the supply of water to the upper floors and will be transferred to the Public Works Department for early sanction. Water can be carried to the Professors' rooms on the upper floors by hand, and thus avoid the provision of expensive arrangements for the purpose inserted in the original estimate.

for Secretary to Government.

From G. S. T. HARRIS, Esq., Consulting Architect to the Government of Madras, to the Chief Engineer, Public Works Department, dated Chapâk, 14th August 1897, No. 1392.

With reference to your memo. No. 3149 C., dated the 12th July 1897, I have the honour to submit a revised estimate, amounting to Rs. 1,680, for constructing lavatories for Professors in the Law College. Plain, neat and serviceable lavatories have been provided, as it hardly appears necessary to provide such fine art specimens as are those erected in the Law Courts.

ORDER—No. 2775 W., dated 6th October 1897.

The estimate, amounting to Rs. 1,680, for constructing lavatories for the Professors on the basement and first floors at the new Law College, Madras, is sanctioned as supplemental to the estimates aggregating Rs. 3,84,914 sanctioned in G.Os., Nos. 2044 W. and 1956 W., dated 9th August 1893 and 8th August 1895, respectively.

2. The Consulting Architect will report whether the expenditure can be met from the grant of Rs. 20,000 provided for this work in the current official year.

3. This sanction has been registered as Provincial No. 55 W. of 1897-98, and classified as "Civil Buildings, Original Works."
