OFFICE OF THE DIRECTOR OF

PUBLIC INSTRUCTION,

Madras, 26 October 1897.

No. 11685

From

THE HONOURABLE MR. D. DUNCAN, M.A., D.Sc. LL.D.,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

The Secretary to Government,

Educational Department.

SIR,

In its order No 337 Educational dated 6th June 1896, Government approved, among others, a revised scale of remuneration for the members conducting the practical tests for general and technical teachers' certificates. This order was received in this office on the 29th idem, when arrangements had been made for the conduct of the practical tests for teachers' certificates during July under the old rules. It was, therefore, not practicable to completely give effect to the G.O. from the date of order, and in Proceedings No 8415, dated 6th August 1896, I issued instructions that the members conducting the practical tests ^{would} ~~will~~, in future, be remunerated under the new scale. As the examinations conducted till the 6th August were on the old lines, the officers who took part therein were remunerated on the old scale. But the Accountant General now takes objection to the procedure on the ground that, under Article 292 of the Civil Account Code, the new scale should be enforced from the date of the order and I have the honour to request that, so far as the scale of remuneration is concerned, the order quoted above may have effect from 6th August 1896, the date on which the new scale was communicated to the members concerned.

I have the honour to be,

Sir,
Your most obedient servant,

D. Duncan
Director of Public Instruction.
