G.No. 4765.

From

The Honourable P. Rajaratna Mudaliyar,
Dewan Bahadur,
Inspector-General of Registration,
Madras,

To

The Honourable Mr. J.F.Price, C.S.I.,
Chief Secretary to Government,
Ootacamund.
Madras, 20th. August 1897.

Sir,

Adverting to G.O., No. 250, Educational, dated 23rd. April 1897, I have the honour to submit, for the consideration and orders of Government, a list of thirty one clerks who passed only the Middle School Examination in the first class, or the old U.C.S. Examination, but were promoted to B.15 and upwards subsequent to the 1st. July 1894, under a misapprehension that those who had joined their permanent appointment on B.14 prior to 1st. July 1894, or who, having joined such appointment after that date, were exempted by G.O., No. 465, Educational, dated 5th. June 1895, were not debarred from promotion. Twenty of these promotions were made before I joined the department in July 1896, and the rest since; and the mistake was not detected until the receipt of G.O., No. 17, Educational, dated 15th. January 1897.

2. I find also, on scrutinizing the lists received from the District Registrars, that one C. Narayana Rao, who had passed only the Middle School Examination in the first class, was, by some oversight, appointed at once to a post on B.15 on 23rd. July 1894, on the introduction of the clerks' scheme.

3. As it would be rather hard to deprive these thirty one clerks of the promotions already given them, and dispense with the services of those who have been appointed in their places, I respectfully beg that Government will be pleased to exempt the said --
clerks

clerks from the operation of the examination rules, in respect of the appointments at present held by them. Care will be taken to see that no further promotion is given to them.

4. I regret that the list could not be submitted earlier as information had to be called for from the District offices.

5. In para 2 of the G.O. under reference, it is stated that the late Inspector-General, Dewan Bahadur S. Srinivasa Raghavaiyangar, correctly interpreted the note on this point in his letter, T.No.1616, dated 12th. May 1895. Reading the latter part of para 4 with para 3 of the letter, it would seem that Mr. Srinivasa Raghavaiyangar interpreted - Note 1 to the Public Service Notification, dated 9th. May 1894 as permitting - and not as forbidding, the promotion to B.15 and upwards of men who, though they had passed only the Middle School Examination in the first class or the U.C.S. Examination, held permanent appointments on B.14 prior to 1st. July 1894, and that his sole object in addressing the letter to Government was to secure the same concession to similar candidates who were prevented, by the exigencies of the service, from joining their permanent posts of B.14 before the 1st. July 1894. It was in consequence of the opinion thus held by him that he allowed several of the men on B.14 to be subsequently promoted to B.15 and upwards. If, however, the Government still desires that the men should be sent back to their former posts of B.14, their orders will be given effect to at once.

I have the honour to be,

Sir,

Your most obedient servant,

M. J. Srinivasa Raghavaiyangar
Inspr. Genl. of Regn. .
