29th September 1897.

Sir,

With reference to the demand in the indent received with your letter No. 294 of 26th July 1897, for four of Newman's series of animal types, I have the honour to inform you that the diagrams of the May beetle, fly and flea (all on one plate) are not obtainable at present as the plate is being reprinted and that three plates only (ants, wasp and butterfly) have therefore been ordered.

With regard to the demand for 2 plates of useful fruit trees and flax plant, total estimated cost 5/- I have the honour to inform you that the set of fruit trees (eleven in all) costs 22/-, and the flax plant 2/- and that these have been ordered as the total cost of all the plates asked for only exceeds the indent estimate by 6/-.

I have the honour to be, Sir,

Your obedient Servant,

Grant Duff

Director General of Stores.
